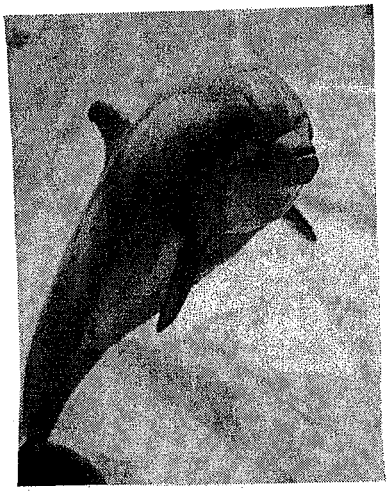
Day 5

Dolphins

Dolphins are one of the most intelligent animals on our planet. Dolphins spend their lives in the water but they are not fish. Dolphins are mammals. Dolphins can't breathe water like fish. They need to come to the surface to breath air. Dolphins eat mostly other smaller fish and squid to survive. Dolphins communicate through chirps and whistles. They like to jump and do acrobatic spins in the air. They are very playful creatures!



1. Where do dolphins live?

2. What type of animal are dolphins?

3. What do dolphins eat?

4. How do dolphins communicate?

Common Core: I can read informational text.

Social Studies: I know about the voting process

Day 5

What is an election?

An election is when people are voting for leaders. Voting means making a choice. Some votes are small, like when your class decides on a P.E. game. Some votes are big! Every four years, America chooses a President. He will live in the White House. This leader will make decisions to help America. This is a big and important choice. Only adults can vote for the President. Voting for leaders is called an election.

1. Kids can choose the President.....yes no
2. Adults can choose the President.....yes no
3. Voting is making a choice.....yes no
4. An election is choosing leaders.....yes no
5. Your leader is not important.....yes no
6. Leaders make decisions.....yes no

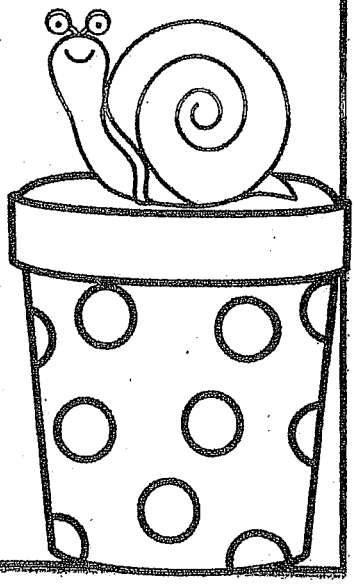
Reading Comprehension

A Little Snail

This summer I found a little snail. The snail would slide around by my house. On the days that it would rain, the snail would hide under a rail. Every day when I would go to get the mail, I would visit the snail. One day when I went outside, I did not see the snail. At first I was worried until I looked to my left. The snail was on top of my flower pot. "What a silly snail!" I yelled.



. What did I find this summer?

2. Where did the snail hide from the rain?

3. Where was the snail at the end of the story?

4. Write three <u>ai</u> words.

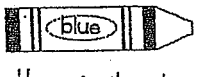
COMPARE and CONTRAST

Jan and Jill

Day 7

Jan and Jill are twins. They both have curly blonde hair and blue eyes. The girls love to play with their dolls and bake cookies. It seems that Jan and Jill are exactly the same, but there are many differences between them. Jan wears glasses and Jill does not. Jill likes to read books when Jan would rather watch the movie. Jan likes cheerleading and dancing. Jill likes to play softball and soccer. Once you get to know Jan and Jill, it is easy to tell them apart.

Tasks



COMPARE

Color the similarities between Jan and Jill blue.

CONTRAST

Color the differences between Jan and Jill red.

1. Write one way that Jill and Jan are similar.

2. Write one way that Jill and Jan are different.
