PARENT ACKNOWLEDGEMENT FORMS

We need your help! Every school-year we have important KSD forms that are required to be reviewed and acknowledged at the beginning of the school year. **If you have not already done so**, please go to [ParentVUE](#) to review and acknowledge all beginning of the year forms (Family Handbook Acknowledgement, Technology Agreement, etc.). If you have any questions, please call and ask. We are here to help.

VERIFY EMERGENCY CONTACT INFORMATION IN PARENT VUE ASAP

Thank you for taking a few moments to review and update, if necessary, your child's emergency and contact information. While this form has been available over the last few weeks, we are re-launching access to this form beginning August 19 through [ParentVUE](#) at login. All next week, families will be required to review the form before accessing additional information in ParentVUE. Please know that for any family who interacted with this form this year, this request may be a duplicate activity. We apologize for any inconvenience and appreciate your support with this launch. With this release, the system has been set to streamline the form selection process so that families are directed to only this form when responding to the link.
