BOE General Counsel has approved the Real Estate Purchase Agreement.</p> <p>The motion passed 7-0.</p>
<p>Resolution 2024-3: Resolution to Declare Former Park Elementary School Surplus Appendix 13</p>	<p>The board voted in March of 2024 to close Park Elementary School. Classes were held for the last time at the school on May 24, 2024. Park Elementary is now and will remain vacant of students, and there is no readily apparent and viable plan to repurpose Park Elementary in a way that will create sufficient value for the district to justify the ongoing expenses that we will continue to incur for so long as it retains title of this property.</p> <p>The City of Wichita has an acute need at this time for a building that it may utilize to provide winter shelter and other services to the City’s burgeoning and underserved homeless population. The City has determined that Park Elementary may be a suitable property to fill this need and thereby benefit the Wichita community. Therefore, Administration recommends that the Board approve Resolution 2024-3, declaring Park Elementary to be surplus; authorizing the Superintendent or his designee to transmit this resolution to the State legislature so that the State of Kansas may determine whether to exercise its right of first refusal to purchase the property; and (assuming the State declines to exercise its right) authorizing the disposition of the property on such terms as the Board deems appropriate, whether to the City of Wichita or, failing that, another buyer.</p> <p>Mrs. Bond (Ms. Albert) moved the Board approve Resolution 2024-3.</p> <p>The motion passed 7-0.</p>

<p>Option Agreement Regarding 1025 North Main Street</p> <p>Appendix 14</p>	<p>The board voted earlier this year to close several school buildings, among them Park Elementary School, 1025 N. Main Street. The City of Wichita has expressed interest in acquiring that property from the district in order to utilize the former school as a resource center for the provision of services and shelter to the City’s homeless population. This agreement grants the City an option to purchase the property following the completion of a period of due diligence during which the City will evaluate the suitability of the property for its intended use.</p> <p>Ms. Albert (Ms. McCray-Miller) moved the Board approve the agreement.</p> <p>The motion passed 6-1, with Mrs. Bond voting No.</p>
