2024 - 2025

Welcome back to school! We are incredibly excited to meet your child and have the best year ever! We know that this time of year can be stressful for your child and understand that the move to Maltby is a big one

We believe that 5th grade is an incredibly important year in your child's education. Our goal is to provide your child with a nurturing and challenging learning environment where s/he feels valued as a member of our classroom community. Because we feel so strongly about creating an excellent class culture, we will spend a considerable amount of time the first weeks laying the foundation to what we believe will be the best year ever

We know that a team approach with parents is one of the keys to a successful school year for everyone! If you have any questions or concerns before the first day of school, or after, feel free to email us at BouhanJ@BrightonK12.com, DuncanH@BrightonK12.com, or ForteN@BrightonK12.com.
