

The E-Z Team!

Welcome to the Eldred/Zalusky team for 2024-2025! We hope you have had a wonderful summer, and are excited to begin 6th grade.

Below you will find a supply list to help you prepare for the year. We are looking forward to sharing a terrific year with you! **PLEASE NOTE: The supplies listed are optional, as all necessary items are provided by the district. Any additional purchases are optional and can enhance your student's experience but are not required. Your contributions are appreciated.**

- o No. 2 pencils
- o Pink erasers
- o Red ink pens
- o Highlighters
- o 2 one subject notebooks
- o 3 composition notebooks (100 pages/200 sheets, cardboard cover, we will cover these with new covers!)
- o Colored pencils (please NO markers)

It would also be super helpful if you could have a set of the following supplies at home to help you, and so you do not need to carry them back and forth: **colored pencils, ruler, pencils, paper, highlighter, erasers.**

We can't wait to meet you!
