Playscheme Info

Activities

During playscheme we plan a number of activities and crafts to do with the children each day, we offer these to every child and encourage them to take part but they are certainly not compulsory.

We believe it is better to have crafting materials, toys, games and much more at hand all day. This allows the children to lead how they spend each day with our support and encouragement, whether that be by engaging with their imaginative play, supplying paint for their creations or clearing space for amazing lego builds.

Snack and Lunch

All children must bring a packed lunch as well as a small midmorning snack, we will provide afternoon snack. We have lunch at around 12.30 each day. We also ask that all children bring their own water bottles which we will refill. Please be aware that Sunny Days is a nut-free environment.

Opening times

We are open from 8.30-5.30 during playscheme. We can open at 8am for an additional £6 but this must be booked in advance. Please be aware that for any time over 4 hours we must charge for the full day.

Clothing

We recommend a coat with a hood just in case as we will spend some time outside whatever the weather throws at us. Please also ensure your child is in suitable footwear for outdoor and indoor play, no heelys or studded football boots please.

Hot weather

Please be aware that we cannot apply or supply sun cream for the children. We will prompt those who have brought sun cream with them to apply twice each day if the sun is out and direct their application if required. We will also ask all children who have a sun hat to wear it outside and encourage the children to drink plenty of water.

Payment

All invoices for Playscheme are sent out in advance and are due a week before attendance, please contact us ASAP if you have any issues with payment.

If you have any further questions, please contact us via email or Club mobile.
