Madeira High School Names Four National Merit Semifinalists

Four members of the Madeira High School (MHS) Class of 2025 have been named National Merit Semifinalists in the 70th annual National Merit Scholarship Program.

Owen Dixon, William Manning, Wesley Nelson, and Morgan Starr will continue in the competition for some 6,870 National Merit Scholarships worth nearly $26 million that will be offered in the spring of 2025.

The National Merit® Scholarship Program (NMSC), is an academic competition for recognition and scholarships that began in 1955. High school students enter the National Merit Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®)—which serves as an initial screen of approximately 1.3 million entrants each year—and by meeting published program entry and participation requirements. Semifinalists must have an outstanding academic record throughout high school, be endorsed and recommended by the school, write an essay, and earn scores that confirm the students' performance on an earlier test.

Approximately 95% of over 16,000 Semifinalists are expected to advance to the Finalist level. All National Merit Scholarship winners will be selected from this group and announced in nationwide news releases in the spring. Those scholarship recipients will join more than 368,000 other distinguished young people who have earned the Merit Scholar title.

National Merit Scholarship winners of 2025 will be announced beginning in April and concluding in July.
