# **Unwrapping Bronco Pride in 2024-2025**

Making Jefferson JR/SR High School the place of choice

The Jefferson Township Local School District is proud to recognize one of our High School seniors, Nyiarrha Wilcoxson, who has been awarded the Satellite Student of the Month by the Miami Valley CTC FFA (Future Farmers of America) program. Nyiarrha, who is also the President of the FFA for Montgomery County, earned this honor for her enthusiasm in exploring new opportunities and her active involvement in our growing agriculture department. Her willingness to try new things and engage with the resources offered in the program truly sets her apart. Congratulations to Nyiarrha Wilcoxson for this well-deserved achievement!

“I feel great about this award, because all I’ve ever wanted to do was be great. I was shocked when I found out that I was going to be the President, but I accepted it because I stand with and for my school. Now, the Satellite Student of the Month award, I was not expecting that. It’s great to be recognized but I was not expecting that.”

This Month’s Highlights

## **Student Updates**

By Jalahn Crump, Freshman

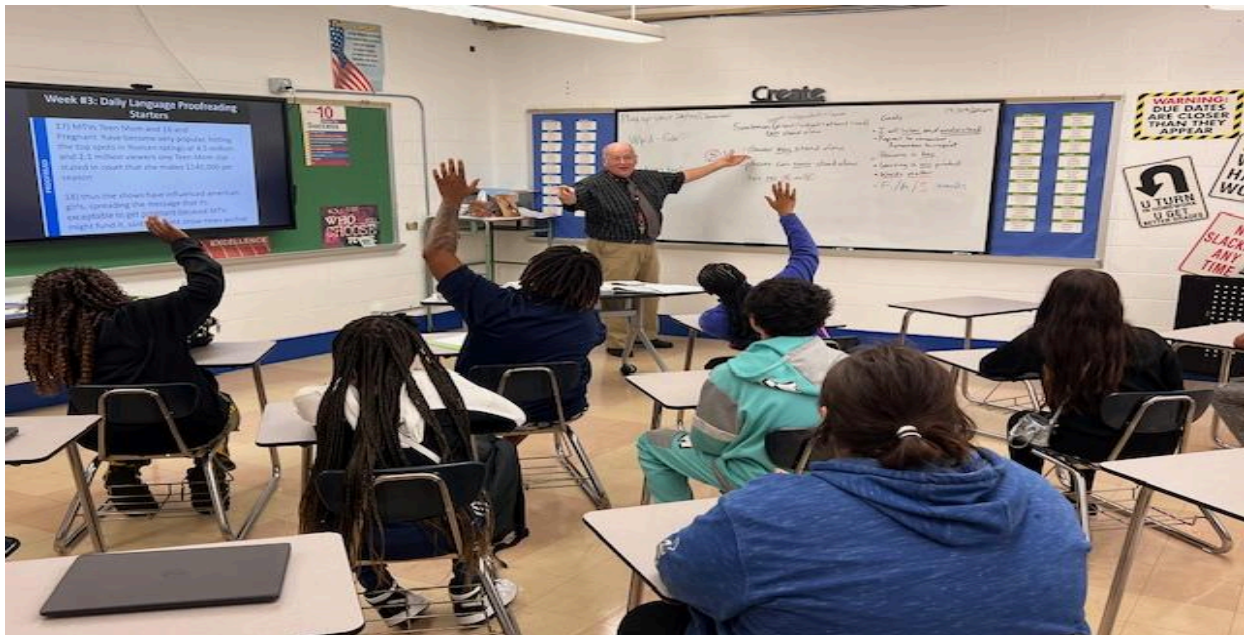

Freshman Jalahn Crump is new to Jefferson Jr/Sr High School, but she already feels comfortable here. She shared that the teachers have been very supportive and willing to help. “They really encourage me,” Jalahn said, “and they always work with me if I need help.”

Her favorite class so far is Biology with Mr. Smith. She likes how he takes time to listen to his students and makes sure everyone understands the lessons. “Mr. Smith really cares about us learning,” Jalahn said, “not just finishing the lesson.”

Jalahn’s positive experience shows how teachers who care and listen can make a big difference in helping students feel welcomed and ready to learn at Jefferson Township Jr/Sr High.

Courtesy of our PE teacher Mrs. Gleason, we were able to identify two student athletes of the month from August. They are Dar'Rion Price (7th Grade) and Alex Duncan (9th Grade).

# Parent-Teacher Conferences

Parent Teacher Conferences are October 4th. There will be no school on this day to allow for student families to meet with teachers and other staff members. Please follow the link below to schedule a meeting with your student's teacher at the appropriate time that fits your schedule.

If you would like to schedule a meeting with your student's teacher please follow the link below. You will be able to use the Calendly link associated with your desired teacher to set an appointment.

Please follow this link to set appointments here: [Parent-Teacher Conference Appointments](#)

## Sports

After a long wait, Jefferson High School is excited to have sports back in action! The school's teams have been working hard and showing true dedication as they compete throughout the season.

The Girls Volleyball Team has been off to a strong start, playing multiple games this month. The highlight so far has been their impressive win against the Dunbar Wolverines, a victory that showcased their teamwork, resilience, and competitive spirit.

Meanwhile, the Boys JV Football Team showed tremendous heart in a recent game against Middletown Christian. Though they came up just short in the end, the game was a hard-fought battle from start to finish. The team gave it their all, and while the scoreboard wasn't in their favor, the lessons they've gained from this experience are invaluable.

Jefferson's athletes are demonstrating that it's not just about winning—it's about perseverance, growth, and representing our school with pride. We're excited to see how the rest of the season unfolds for our teams

## Dates and Announcements

- Parent Teacher Conferences - Friday, Oct. 4th
- Middle School Costume Party - Friday, Oct. 18th
- High School Homecoming - Saturday, Oct. 19th
