GET INVOLVED, STAY INVOLVED!

- Do something you enjoy!
 - High school should be a fun experience & isn't all about homework & studying. Listen for announcements throughout the school day about upcoming meetings & events
 - Talk to your teachers & peers to learn more about the different clubs & sports we offer.
- Community Service:
 - It is vital part of the college application and scholarship process.
 - It is a great way to meet other students & community members.
 - It allows you to feel a part of a cause and it's great to help others.
 - See your counselor once school begins if you need recommendations on how to get started & where to go!
- Communicate & Be Organized:
 - Use organizational tools (planner, calendar) to keep track of your assignments and be on top of deadlines
 - Don't be afraid to ask your teachers or counselor for help if you are getting overwhelmed or having difficult with something
