What's Trending @ MAP?

Hey there, MCA Parents!

MAP worked very hard all summer to plan amazing things for the teachers this school year! Recently, the teachers enjoyed two lunches provided by Bless Our Teachers and now they can apply for one of two \$500 grants through our Second Annual Teacher Curriculum Resource Grant! Your generosity in your contributions through the Un-Fundraiser is truly making a difference in the lives of our teachers! It will enable our educators to further enrich the curriculum and support MCA subject-area objectives, benefiting the entire study body.

Teacher's P.E.T.

NATALIE ROBBINS

Thank you for all of the amazing photos showing us how you celebrated your faculty or staff member during the Back-to-School blessing!

Secondary Locker Hugs

JENNY FRIEDERICHS, KASSIE CASTANEDA, KAREN NISSEN, MELANIE HAYES, MEGAN REISCHMANN

THANK YOU to the team of volunteers that joined in the preparation and hanging of Locker Hugs on September 9th...they are adorable!

I hope you feel proud of the positive impact you're making in the lives of our students and teachers. Your generosity means the world to us, and I'm confident that the effects of your contributions will be felt throughout our school community for years to come. I'm so grateful for the incredible support from our parent community, I'm looking forward to the continued success of MCA and the amazing opportunities that lie ahead!
