We are well into the 1st quarter of school and everything is going very well. We look forward to a great Homecoming celebration during the week of September 30-Oct 3rd. The Homecoming Parade will be Thursday October 3rd at 2:00 p.m. The overall theme will be Hawaiian. Monday 9/30 will be Pajama Day, Tuesday 10/1 will be Decade Day, Wednesday 10/2 will be Surf's Up Day and Thursday 10/3 will be Red and Gold Day. Don't forget the Parade at 2:00 p.m. The parade route will start at the school and walk downtown and the route will end back at the school! There are quite a few days coming within the month of October! All dates are listed on the school calendar along with great pictures of our school activities. Go to <a href="https://www.frombergpublicschools.com">www.frombergpublicschools.com</a> for current and updated times and activities within the school calendar.

Lots of great things are happening within the Fromberg school. We would certainly like you to be a part of our planning and ask you to come to the 2nd Community Engagement Meeting on the 9th of October from 6:30 p.m. to 7:30 p.m. The topic is Stakeholder Input - How do we get community involvement within Fromberg Schools? Our meeting will be held in the gym commons area. We are still looking to fill several critical jobs within Fromberg schools. We are in dire need of a school Janitor. I am willing to work with many different schedules, please contact me if you are interested or pass the information to someone you know of that is in need of a great job to be able to work with great people and students. We are also in need of a substitute school bus driver, our driver Bill is working and working hard, but he is maybe wanting to take a vacation and I am just trying to find him some relief time with 31 years of service to the district. Welcome Fall and the happiness it brings to you all. If you have any questions or concerns please feel free to contact me. My cell number is 406-855-7271.

#### Month of October

What a busy and wonderful month September was! We were busy getting baseline scores for the students and I am so amazed at the knowledge they are retaining.

With the cold weather please send winter geal

With the cold weather please send winter gear to school. There is enough lockers for each student to have two.

The students have been apparently growing and wanting snacks more often. The school provides one after lunch, but please feel free to send food with your student. We do have space if you want to send communal snacks for the class to share.

#### Agriculture Education

The agriculture classes have been busy this last month. AG woods has been learning about safety and how to do a wood burn. They have picked out small wood projects that they will be starting on after we finish painting the bleachers at the football field. Ag III has been learning about marketing. They picked an item of their choice and then they sold that item to the class as a final project. AG I has been working on classifying animals and has just started the animal welfare unit. AG 6 learned about the dust bowl and how it was caused by poor agricultural practices. They just started on animal habitats and food chains. Personal career readiness class has been learning about Resume, cover letters and been busy working their workstudy jobs, along with getting shop projects done for those who are not old enough to do workstudy.

FFA wrapped up corn at the end of August and we had another successful season thanks to all who bought. The chapter even helped out the Roberts chapter, and our Fromberg football team with them getting corn and selling it to fundraise. We have hit the ground running on practices to get ready for NILE in October. We have teams competing in livestock and vet science. We are also gearing up to have kids sell fruit baskets, cookie dough, meat, and Montana pies in mid October.

### Fromberg FFA By Brislynn Maharrey

Over the past month, our Fromberg FFA crew has been up to exciting things. We spent two weekends late in August picking and selling corn. We sold corn in Rockvale, Fromberg, and Bridger. We were hoping for another weekend but due to temperatures and a bear it did not happen. Thanks to everyone who came out and supported the chapter this year. NILE is getting close, we have been practicing for two events: Livestock and Vet Science. The events will be on October 14th. In the middle of October, the chapter will be selling our Montana baskets, fruit, pie, cookies, and meat for around a week and a half. All of the goods will be shipped in early December just in time for Christmas. Make sure to catch a FFA kid to order some before it's too late!

#### The Library Connection

Read For The Record will be on October 24. Thank you, Dan and Sharon Schutz, for their generous gift of this year's title. They also purchased a fun Halloween book to give to our library. We are learning about fall, illustrators, and authors.

There are many themes to touch on in October. Amidst the lessons, we will be receiving new books. We had a balance to spend from the Scholastic Book Fair, and Mrs. Rupprecht was awarded a grant from OPI. The name of her project is, "For the Love of Pete and So Much More". This project will involve some co-curricular lessons and activities that will include art, math, and other subject areas.

#### **FFA FRUIT**

The Fromberg FFA is selling its annual Fundraisers. This year we will have meat, cookies, Montana Pies, Mini Montana Basket, mixed Fruit basket, and Montana Baskets. If you are interested, please Call Mrs. Birrer 406-668-7315 and she will get a FFA member out to see you. We will be selling October 21- 31. Delivery will be the first weeks in December.

#### Things have never FELT better in the Art Room!

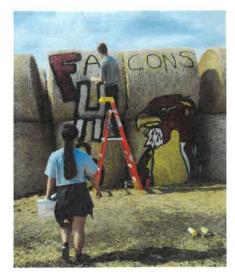

This year we carted in a good time felting.

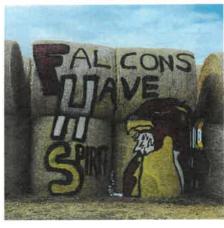

Immersing ourselves in the elements of art
through texture, color, shape, form, movement
and variety. Starting with raw wool, donated by
Melody Murter, our students were immersed in
wool processing. Many students smelled lanoline
for the first time, as they washed the wool, feeling
the softness of the fleeces. Some students learned
the art of carting wool and others used Kool-aid
dyes for fun colors. Pre-K made tiny blankets for
their project while other grades made pouches,
soap scrubbies and toys. This was an amazing
opportunity to learn about wool processing, fro¹m
start to finish.

On a different note, our High School Art Club students purchased the Adobe Art program to challenge their artistic talents through graphic design. They have taken an interest in a graphic design Artist, Jazza, who offers free tutorials and is learning to use graphic design. They made trading cards as their first project. We look forward to our weekly design challenges.

Last but not least, our annual bale painting is complete. The High School Artists did a fantastic job scaling down our mural, for a great fit. THANK YOU YEDLICKA FARMS FOR DONATING BALES!!
