Actualizaciones y recordatorios clave de la escuela

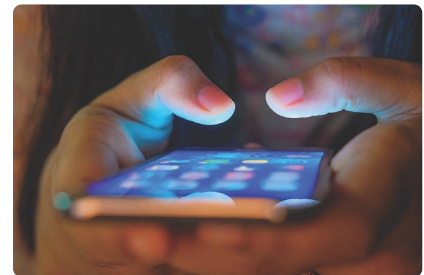

Conteo de octubre: la asistencia de los estudiantes es fundamental

El 1 de octubre de 2024 es la fecha oficial para el recuento de octubre de este año. Los horarios de los estudiantes se congelarán del 24 de septiembre de 2024 al 8 de octubre de 2024 para garantizar que tengamos el recuento de estudiantes más preciso por varias razones, incluida la financiación. La asistencia de los estudiantes es fundamental todos los días para garantizar el éxito y la participación de los estudiantes en las clases. Es especialmente importante en esta época del año previa al recuento de octubre y, especialmente, el 1 de octubre. Ayude a garantizar que su hijo asista durante las próximas semanas y más allá.
