School District and Community

Glenbrook South High School is one of two comprehensive high schools in District 225 located in Northfield Township, Cook County, Illinois. Glenbrook South serves primarily the Village of Glenview. Glenview is a middle-class suburb in Chicago's North Shore area. The community is primarily residential, although there is a substantial concentration of major corporate headquarters in the area.

School

2024-2025 School Enrollment: 2950

Seniors: 776; Juniors: 765; Sophomores: 756; Freshmen: 638

Glenbrook South has a block schedule with classes meeting on alternating days. Each school day consists of four 90-minute blocks.

FACULTY: 268; 72% with MA + and beyond

ACCREDITATION: State of Illinois, Member of the College Board, NACAC/IACAC, subscribes to NACAC's "Statement of Principles of Good Practice."

Graduation Requirements

Marking System

COURSE	UNITS	GRADE	EXPLANATION
English	4.0 units	A	90 - 100%
Mathematics	3.0 units	B	80 - 89%
Science	3.0 units	C	70 - 79%
Social Studies	3.0 units	D	60 - 69%
Physical Education	3.5 units	F	Below 60%
Health	0.5 unit	I	Incomplete
Driver Education	0.5 unit	M	Medical, no credit
Constitution Test	-	W	Withdrawn, while passing, before completion of the course; no credit, no penalty
Consumer Education	0.5 unit		
Elective Courses	3.0 unit	WF	Withdrawn, while failing, before completion of the course, no credit
Fine Arts	0.5 unit		
Applied Arts	0.5 unit	P	Pass, credit-a grade of "D" or better is required for passing
World Languages	2.0 units	AU	Audit, no credit
TOTAL	24.0	RE	Repeat, no credit

GRADE POINT AVERAGE

Two separate grade point averages based on a 4.0 scale are computed for each student:

The Weighted GPA is weighted and includes courses in the areas of English, world language, mathematics, science, social studies or other elective courses at the Advanced Placement or Honors level.

The Unweighted GPA includes all courses. No weighting system is used, and all courses are considered of equal value. The Glenbrook high schools do not provide class rank. Information indicating a class rank using either the academic or all-subject grade point averages will not be issued internally or externally to staff, students, parents, other academic institutions, or agencies.

Course designed with (*) asterisks were earned from outside the district. They will be recorded on a student's transcript but will not be counted in the student's grade point average.

COURSE AND LEVEL DESIGNATIONS

Titles of courses are followed by a three-digit code which designates the course content as follows:

FIRST DIGIT - Sequence in Series of Courses

SECOND DIGIT - Academic Level

9 - Academy (highly accelerated, integrated studies in English, social studies, and world language)

8 - Advanced Placement

7 - Honors

6 - Regular

THIRD DIGIT - Semester

1 - 1st Semester

2 - 2nd Semester

3 - Year Long

Example: Ceramics 261 = second sequential course of ceramics at the regular level first semester.

COLLEGE AND TESTING BREAKDOWN

In the class of 2024, 93% of our graduates continued formal education, including 15% to two-year colleges

COLLEGE ENROLLMENT PROFILE CLASS OF 2024

761 STUDENTS

93% entered institutions of higher learning

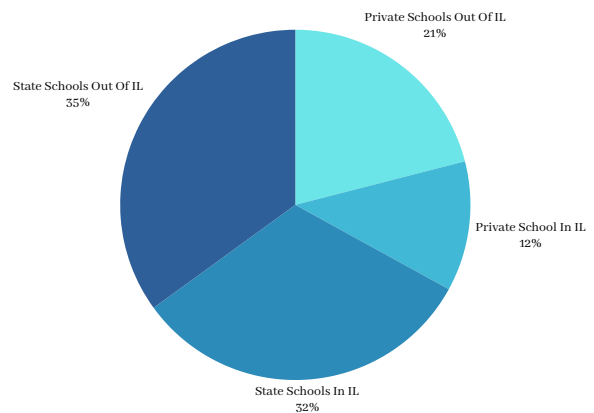

70% entered state schools

30% entered private schools

46% entered Illinois schools

The Class of 2024 can be found at 143 different institutions

ILLINOIS VS. OUTSIDE OF ILLINOIS ATTENDANCE BREAKDOWN

SUMMARY OF ADVANCED PLACEMENT PROGRAM

Total Number of Students: 1020

AP Grades Reported: 2508

Student score of 4 or better: 67%

Student score of 3 or better: 86%

TEST SCORES

Glenbrook South High School places only State of Illinois mandated test scores on transcripts. It is the student's responsibility to request national ACT and SAT scores from the appropriate agency.

TESTING PROFILE 2023-2024

ACT	English	Math	Composite
GBS Mean:	27	26.1	26.7
State Mean:	24.8	23.7	24.5
SAT	Evidence Based Reading & Writing	Math	Total Score
GBS Mean:	561.4	559.5	1120.9
State Mean:	487.5	473.4	960.9

DISCLOSURE STATEMENT

Glenbrook High School District 225 is legally permitted to respond only to the questions concerning information contained in a student's permanent record. A counselor's signature on a college or scholarship application verifies the accuracy of the permanent record of the student.

Science & Engineering Learning Community

The Science & Engineering Learning Community (SELC) is an honors and Advanced Placement program of study that integrates science and engineering coursework and is supported by studies in mathematics and computer science. Its graduates have not only attended top universities across the country and world, the program produces thinkers, collaborators, and problem solvers with the skills and habits of mind needed to answer the next generation of questions and solve the problems of tomorrow.

Qualifications, Program Distinctives, and Curricular Overview

- Top students receiving honors level placement in science and mathematics invited into the SELC
- Curriculum includes Integrated science-engineering projects
- Problem-based, inquiry approach
- Students work with professional scientists and engineers
- Students have received multiple awards at state and national science and engineering competitions
- One of four PLTW Distinguished Schools in Illinois

9th Grade

Physics Honors + PLTW Intro to Engineering Design Honors
Math: Geometry Honors or Higher

10th Grade

Chemistry Honors + PLTW Principles of Engineering Honors
Math: Algebra II Honors or Higher

11th Grade

AP Biology + PLTW Digital Electronics Honors
Pre-Calc Honors or AP Calculus

12th Grade

AP Chem, Phys, and/or EnvSci + PLTW Eng Design & Development Honors
Math: AP Calculus, Advanced Topics and/or AP Computer Science

Assessment & Standards

Average Science AP Scores for SELC Students

Average Science AP Score	AP Physics C: Mechanics	AP Physics C: Elec & Mag	AP Chemistry	AP Biology	AP Environmental Science
	4.9	4.9	4.5	4.3	4.3

Alongside their science, engineering, math, and computer science coursework, students in the Science & Engineering Learning Community typically round out their schedules with a challenging array of courses in the humanities and fine arts.

The Glenbrook Academy of International Studies

The Glenbrook Academy of International Studies is a nationally recognized program integrating English, social studies, and world language. Since The Academy's founding in 1981, its graduates have matriculated to selective colleges and universities throughout the United States and abroad.

Selection Process

Students apply to The Academy during the second semester of their eighth grade year. Selection is based on scores earned on standardized achievement tests in the areas of reading and language; records of grades earned and evaluation of study habits, provided by feeder schools; three teacher recommendations (language arts, social studies, and world language); information provided on the application form, including a personal essay; impromptu writing derived from a non-fiction prose reading on a current global topic; poetry analysis, and a personal interview with Academy faculty and students. Each year, more than 100 eighth graders from more than ten area middle and junior high schools, both public and private, apply for the following year's ninth grade class, comprised of only 30 students from Glenbrook North High School and Glenbrook South High School combined.

Curricular Overview

The Academy's faculty employs a collaborative teaching model featuring interdisciplinary instruction and flexible time scheduling in daily sessions from 8:00 to 10:50 a.m. Both grade-level and subject-matter teaching teams coordinate their curriculum and instruction to emphasize critical thinking, communication skills, and research skills across all disciplines. World language instruction—four years of the same language—rotates yearly among French, German, Mandarin Chinese, and Spanish. Five Academy courses provide preparation for Advanced Placement examinations: tenth grade social studies (*AP United States History*), eleventh grade English (*AP English Language and Composition*), twelfth grade English (*AP English Literature and Composition*), twelfth grade Social Studies (*AP World History*) and twelfth grade world language (*AP French/German/Mandarin Chinese/Spanish Language.*) Following is a list of all courses offered.

Ninth Grade

English: World Literature I
Social Studies: World History to 1500
World Language I

Tenth Grade

English: American Literature
Social Studies: United States History (*with AP exam*)
World Language II

Eleventh Grade

English: World Literature II (*with AP exam*)
Social Studies: World History 18th-20th century
World Language III

Twelfth Grade

English: Capstone Course (*with AP exam*)
Social Studies: Capstone Course (*with AP exam*)
World Language IV (*with AP exam*)

Assessment Standards

The Academy's courses maintain the rigorous, content-based standards of honors and AP courses at both high schools as foundation for their interdisciplinary focus on critical thinking, communication skills, and research skills. Academy courses are, thus, weighted the same as honors and AP courses in the computation of academic grade point averages. In addition to their English, social studies, and world language classes, students in the Academy typically round out their yearly schedules with a challenging array of courses in mathematics, science, fine arts, applied arts, and technology.
