Request for Proposals Soda Creek Elementary School Boiler Replacement

Steamboat Springs School District RE-2 is requesting proposals (RFP) for replacement of three RBI existing boilers with two new Lochinvar M# FBN1751.

Project address is Soda Creek Elementary School, 20 Park Ave Steamboat Springs, CO 80487.

Requested scope of work shall include the following.

Removal and necessary demo of three RBI boilers and associated piping. Furnish and complete installation of two new Bacnet Lochinvar M#FBN1751. Install condensate neutralizer, gas regulators, and variable speed pumps. Repipe 4" mains into a primary secondary piping configuration, install new PVC flue and combustion air piping, reconnect gas piping as necessary.

State permit by District

Reconnection of controls by District

Anticipated installation and work completion would be June 2025 to the end of August 2025.

Please provide a summary of your company's experience with boiler replacement and how you plan to manage the School District's project.

All official communication and questions regarding this RFP will be via email to the Director of Facilities, Pascal Ginesta at pginesta@ssk12.org.

If you would like to schedule a site visit of the Soda Creek boiler room, the site visit request deadline is October 8, 2024

Deadline for proposals is Friday, October 18, 2024 at 3:00 pm.
