September 30, 2024

Dear Lawrence Township Public School Families,

As we move into our second month of the 2024-2025 school year, I wanted to take a moment to share an important update regarding our district's leadership.

Rajneet "Pimmi" Goomer, our Assistant Superintendent for Curriculum and Instruction, has recently resigned from her position. I would like to acknowledge her contributions to our district and wish her all the best in her future endeavors.

During this transition, I will be overseeing the Office of Instruction to ensure that our high standards for curriculum and instructional excellence are maintained. We are also pleased to announce that Mr. Mike Dzwonar, a highly respected retired Assistant Superintendent from the East Windsor Regional School District, will be joining us on November 4th to serve as our Interim Assistant Superintendent for Curriculum and Instruction. Mike brings extensive experience in curriculum and instruction and will help guide our continued progress while we conduct a careful and thoughtful search for the right candidate to fill this critical role. We are committed to finding a leader who will not only continue to uphold our district's values but also help us build upon the educational success we've achieved together.

As always, our priority is the success and well-being of our students. I will be working closely with our leadership team and visiting schools frequently to ensure we continue to provide the best educational experience for all students. In November, I look forward to personally introducing Mike Dzwonar to our community as we navigate this transition together.

Thank you for your ongoing support and dedication to Lawrence Township Public Schools. Together, we will continue to foster an environment of growth, belonging, and academic excellence.

Respectfully,

Robyn A. Klim, Ed.D., LCSW
Superintendent of Schools
