### **Serves District At Large**

My husband and I have lived in the Lawrence Township District for over 13 years. I am a small business owner in Lawrence, and my husband is a local 481 Union electrician. Together, we have five children who have all attended or currently attend Lawrence schools. I completed most of my primary and secondary education in Lawrence Schools.

Currently, I serve as the Board Secretary for the Lawrence Township School Board and as a member of the Lawrence Parks Board. I have also served on the boards of Faith In Indiana and the IndyPeace Collective, as well as other faith-based and nonprofit organizations, working to find solutions and tools for addressing youth violence.

In addition, I am an active member of my church, serving with the Ignite Teen Ministry. I have spoken at various events as an advocate for whole-child wellness, sharing how this approach has positively impacted my family.

“I desire every family to have an educational experience that cultivates their children’s abilities and talents while positively impacting the communities around them.”
