The immediate administrator shall have the approval of the Director of Personnel.

1. Prior to taking action, the administrator must: (a) conduct an inquiry into the alleged violation, (b) determine the facts and circumstances, (c) advise the support employee of the circumstances drawn and the facts upon which they are based and (d) provide the support employee with an opportunity to dispute the allegations and/or provide additional facts. In deciding upon the course of action, the administrator shall take into consideration the seriousness of the violation, the previous work record of the support employee, and any extenuating circumstances related to the violation. An action that will become a part of the support employee's official personnel file must be reviewed and signed by the support employee before it is placed in the support employee's official personnel file. The support employee's signature on documents filed indicates that the support employee has read the document and does not necessarily mean agreement with statements therein. The support employee will have the right to submit a written answer or rebuttal to such material and have it attached to the file copy. At the request of the employee, documents relative to a particular disciplinary action filed in the support employee's official personnel file, shall be removed and destroyed after two (2) years from the date of the first entry concerning a violation, if there have been no further entries pertaining to the original violation. Said documents may be removed from the personnel file at an earlier date by mutual agreement of the affected support employee and the administrator who initiated the document or the head of Human Resources. - a. ORAL REMINDER – Step one consists of a conference between the employee and the supervisor concerning the employee's performance.
- b. WRITTEN REMINDER – Step two consists of a letter detailing the area(s) of concern and allowing time for correction of problem(s). A copy of the letter will be given to the employee and a copy shall be placed in the employee's official personnel file.
- c. LETTER OF REPRIMAND – Step three consists of a letter accompanied by a plan for improvement which details the problem(s) and steps which the employee must take towards improvement. Refusal to accept the plan of improvement will result in either resignation or dismissal. The letter shall be placed in the employee's official personnel file.
- d. DECISION-MAKING CONFERENCE – Step four consists of a conference between the employee and the supervisor to discuss the situation and review if successful completion of the plan for improvement has been made and whether further disciplinary action is warranted. Failure to comply with the conditions of a plan of improvement may lead to disciplinary action up to and including dismissal.

Disciplinary action may be initiated at any step depending upon the severity of the infraction. Incidents that result in disciplinary action must be documented within ten (10) work days in which the affected Member is present at work after the Administrator/Supervisor has been made aware of said incident.

A day is defined as hours worked daily not to exceed eight (8) hours (i.e., three (3) hour employee times six (6) days equals eighteen (18) hours). Each support employee shall accrue sick leave days each fiscal year. Sick leave is accrued at the rate of one (1) day per month of service, not to exceed the number of hours per day for which they are regularly employed, to a maximum of twelve (12) per fiscal year with unlimited accumulation. New support employee's date-of-accrual is based on each employee's anniversary date-of-hire. The support employee's immediate administrator must be notified as soon as the support employee knows sick leave is to be used. When there appears to be a pattern of absenteeism, the head of Human Resources or the immediate administrator may request an investigation based upon documentation provided by the immediate supervisor. The investigation will be conducted by the Human Resources Department under the direction of the head of Human Resources.

The following are examples of patterns of absenteeism, which may lead to disciplinary action:

- a. There is an established pattern of sick leave use on days immediately preceding or following a holiday.
- b. There is an established pattern of sick leave use on days following warrant/pay days.
- c. There is an established pattern of sick leave use on the first (1st) or last days of a work week.

Sick leave may be used for accidental injury, illness, pregnancy or temporary disability of the support employee or support employee's immediate family.

In case of substantiated extended personal disability and after all sick leave, sick leave sharing days (if available), and family medical leave (if eligible) are used, a support employee will be placed on leave without pay.

After thirty (30) calendar days on leave without pay status, or upon completion of the allowable family medical leave, the support employee must request a leave of absence. All school provided benefits will

cease at the time the support employee goes on leave without pay. The District will continue to pay the support employee's health insurance benefits while on approved family medical leave. When a disability goes past the contract period, then the support employee may apply for leave of absence as noted in Section 5.04 of this contract. Provisions will be made whereby the employee can arrange payment of all professional dues and insurance as permitted by the insurance carrier. When the support employee recovers sufficiently to perform regular duties and returns to work, the support employee shall be restored to a position of like seniority status and pay. Benefits will resume at this time.

When an employee is off work because of a work related injury, that employee shall draw from his or her sick leave the amount of time necessary to make up the difference in what his or her regular check was and what the Workers Compensation Insurance is paying the employee. Pending a doctor's report, support employees who have earned emergency leave or sick leave may have the choice as to which leave they will use for work days missed during the first three (3) calendar days, in addition to the date of injury, for which they are not eligible to receive temporary total disability benefits.

Sick leave is not to be used for vacation time or recreational purposes.

Years of experience for sick leave accumulation shall be the number of years of continuous employment by the Moore School District.

Individual leave status will be recorded on each statement of earnings and deductions to reflect use/balance.

When support employees notified their administrator about not working that day because of illness, the support employee must give at least one hour notice before an employee starts their contracted hours or when a situation occurs that they must leave while on their contracted hours.

DOCK Status:

A support employee that has a documented illness from a medical doctor that has caused them to use accrued sick leave, personal business leave and vacation leave may be granted by the head of Human Resources to receive additional non-paying sick leave for any future illnesses. The support employee shall submit a written request asking for more un-paid sick leave so they will not be subjected to termination. The head of Human Resources will review requests for special circumstances on an individual basis.

0 Years Service

Each new support employee will be credited with one (1) day of sick leave on employee's first month anniversary of date-of-hire and will continue to accrue sick leave at the rate of one (1) day per month on employee's monthly anniversary of date-of-hire to a maximum of twelve (12) days per fiscal year.

Employees Under Contract as of June 30

The first day that the support employee reports to work on or after July 1, each support employee under contract as of June 30 will be credited with one (1) day sick leave per month of service to a maximum of twelve (12) days per fiscal year.

Individuals employed by the district in more than one position receive, accrue, and shall utilize sick leave in each position independent of the other. Sick leave earned in one position is not available for use by the employee in the employee's other position.

When a special needs bus driver or bus assistant is sick for an extended period of time (one week or more), a substitute driver, when possible, shall be assigned to that route for the entire period of time the regular driver is gone. This would provide the special needs students with a minimal amount of disruption in their daily routine.

Each new support employee will be credited with one (1) day of personal leave on employee's first month anniversary of date-of-hire and will continue to accrue personal leave at the rate of one (1) day per month on employee's monthly anniversary of date-of-hire to a maximum of five (5) days per fiscal year.

Each support employee under contract as of June 30 will receive five (5) days personal leave on July 1, or the first day the support employee reports to work after July 1.

The support employee's immediate administrator/supervisor shall be notified at least one hour before employee reporting time.

Personal business leave will be granted as provided for in board policy except for certain circumstances:

- The first three (3) or last five (5) student days of the school year, and
- Any workday preceding or following a state holiday or school break which constitutes paid day(s) off for the employee category.

Special circumstances shall be requested through the Human Resources department. Any unused personal business leave not used in a school year will either convert to sick leave for future use or will be paid out according to board policy.

Exceptions for personal business leave may be granted by the head of Human Resources for special circumstances on an individual basis. The employee shall submit a written request. The request must be approved for review by the immediate supervisor. All requests will be reviewed for "extraordinary circumstances" or "once-in-a-lifetime" status. The request must be received by the head of Human Resources at least five (5) working days prior to the requested date, whenever possible.

Personal Business Leave may be used in hourly, 1/2 day or full day increments.

Since the support employee is only on leave of absence, provisions may be made with the Board whereby payment can be made to retain all professional memberships and insurance, where legal.

8.02 DAYS AND HOURS

When a position is vacated or is newly created, the administration may adjust the days and hours to meet the needs of the District.

If the job requirements or workload changes in an existing position the administration may adjust the days and hours by mutual agreement with the employee.

(Department designations are placed in this article for information purposes only.)

To determine your hourly rate of pay, locate your job title and category in this article, and then turn to Article 8.01 SALARY SCHEDULE. Find the salary schedule for your department and go across the schedule to your category, then go down the scale to the years of experience for which you qualify (count 0 as year one for experience) for your hourly rate of pay.

**PROCEDURAL AGREEMENT BY AND BETWEEN
THE MOORE BOARD OF EDUCATION
AND THE EDUCATIONAL SUPPORT PROFESSIONALS OF MOORE (ESPM)**

The Moore Board of Education (hereinafter referred to as Board) and the Educational Support Professionals of Moore (hereinafter referred to as Organization) hereby enter into the following agreement regarding negotiations.

1. RECOGNITION

The Organization, having been certified to the "Board" as having the majority vote in the Moore election, is hereby recognized as the bargaining agent for all employees who are not required by their job description to be a principal, licensed or certified teacher, superintendent or other administrator of the District as provided in Oklahoma Statutes.

2. INDIVIDUAL RIGHTS

Support Employees shall have the right to join and participate in and support the "Organization" as well as to refrain from such activities. No support employee shall be discriminated against by the Board or any administrative officer of the District because of his membership, participation, support or non-membership, participation or support of the "Organization". The "Organization" shall not discriminate against any support employee within the bargaining unit based upon the payment or non-payment of dues.

3. SCOPE OF BARGAINING

The "Board" and the "Organization" must negotiate in good faith on wages, hours, fringe benefits and other terms and conditions of employment. The "Board" and "Organization" shall abide by all applicable state and federal statutes, rules and regulations. This Agreement shall not abrogate, limit or restrict the legal rights, obligations and powers of the Board, including the power to make policy rules and regulations that are not inconsistent with the Negotiated Agreement. There shall be no negotiations on inherent managerial responsibilities.

4. NEGOTIATING TEAMS

No more than nine (9) designated representatives of the "Board" ("Board Negotiating Team") will meet with no more than nine (9) designated representatives of the "Organization" ("Organization Negotiating Team"). However, if both parties mutually agree a guest may be invited to provide information to the body. All negotiations shall take place exclusively between the designated representatives of the parties. Negotiations shall be conducted in closed sessions, involving only the "Board Negotiating Team" and the "Organization Negotiating Team".

5. OPENING NEGOTIATIONS

Between April 1 and April 30 of each ensuing year, either the Organization or the Board, shall submit a written request for negotiations to commence to the other party, if it desires there to be negotiations for that year. If no such request is made during the time period above, negotiations will not take place for the ensuing year.

Upon request of either party to commence negotiations, a mutually acceptable meeting date shall be set no more than (30) calendar days following such request, unless the parties mutually agree otherwise. The requesting party shall submit their proposals in writing at the first meeting and the other party shall submit their proposals in writing at the second meeting. All meetings shall be held outside the regular work hours at times and places to which the parties have mutually agreed.

At the first meeting of each year, each committee chairperson will present the other committee chairperson with a list of committee members who will represent their "Organization" or "Board".

No recordings or official transcripts shall be made without mutual agreement of the parties.

Revised 2016-17.

6. ATTENDANCE AT MEETINGS

In such cases where either committee does not have a majority of its members present, the Chief Spokesperson may have the option to reschedule the meeting.

7. TENTATIVE AGREEMENT

Both parties agree that it is their mutual responsibility to empower their respective representatives with the necessary authority to make proposals, to consider proposals and counter proposals in the course of negotiations and to reach tentative agreements subject to ratification by the "Board" and the "Organization". When tentative agreement is reached on any item, it shall be reduced to writing, signed, and dated by the spokesperson of each team.

When tentative agreement is reached between the negotiating teams on all proposals, the proposed agreement shall be reduced to writing and submitted first to all support employees of the District for ratification. After ratification by the support employees, the agreement shall be submitted to the Board, if at all possible, at the next Board meeting. If approved by the Board, the terms of the agreement, or the parts jointly ratified, shall be implemented.

8. FACT FINDING

If negotiations are not successfully concluded by the first day of school, impasse shall exist. At any earlier time, either party may declare impasse, or by mutual agreement of the parties, the date for declaring impasse may be extended beyond the first day of school.

Within two (2) days of such declaration, the parties may, by mutual agreement, request the services of the Federal Mediation and Conciliation Service. If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact finding as follows:

- A. A fact-finding committee consisting of three (3) members shall be formed. One (1) member shall be selected by the Organization, and one (1) member shall be selected by the Board, within five (5) days. The third member shall be selected by the first two (2) members as follows: The parties shall notify the State Superintendent of Public Instruction that a fact finder is needed and request a list of five potential fact finders from the State Superintendent. If no name on the list is agreeable to both parties, a coin toss shall occur with the party winning the toss having the right to strike a name from the list. The parties will then continue alternately striking names from the list until only one name remains. The person whose name remains on the list will serve as the chairperson of the fact-finding committee.
- B. Within five (5) days after the selection of the chairperson, the representatives who have been negotiating for the "Board" and the "Organization" shall meet to exchange written language on each item at impasse. The exchanged documents shall also be furnished by each party to the chairperson and other members of the committee. Each item being submitted to fact finding shall show the last position taken by each negotiating team.
- C. The cost for the services of the fact finding committee, including per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: the Board shall assume the expenses of the representative selected by the Board, the Organization shall assume the expenses of the representative selected by the Organization, and the expenses of the third member shall be shared equally by the Board and the Organization.
- D. The fact finding committee shall have authority to establish procedural rules, conduct investigations and hold hearings during which each party shall be given an opportunity to present its case with supporting evidence. Fact finding hearings shall be conducted in closes sessions unless the parties mutually agree otherwise.
- E. The chairperson shall convene the committee for fact finding. This committee shall meet with the representatives of both parties. Within twenty (20) days after the fact-finding meeting, the committee shall present written recommendation to the local Board and to the Organization.
- F. If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the "Board" and the "Organization". The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the representatives shall exchange written statements expressing each party's remaining differences. The representatives shall then resume good faith effort to resolve the remaining differences, provided, after fourteen (14) days after the exchange of the written statements, either party may discontinue such effort.
- G. The local board shall file a copy of the fact-finding report with the office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and such agreement shall also be forwarded to the State Superintendent of Public Instruction. If the effort to resolve differences is unsuccessful, the local board of education shall forward to the State Superintendent of Public Instruction in writing its final disposition of the negotiations impasse process within thirty (30) days of the effective date of implementation.

9. NO STRIKE PLEDGE

The procedure provided for herein for resolving impasse shall be the exclusive recourse of the "Organization" It shall be illegal for the "Organization" to strike or threaten to strike as a means of resolving differences with the board of education. Any member of an organization engaging in a strike shall be denied with the board of education. Any member of an organization engaging in a strike shall be denied the full amount of his wages during the period of such violation. If the "Organization" or its members engage in a strike, then the "Organization" shall cease to be recognized as representative of the unit and the school district shall be relieved of the duty to negotiate with such "Organization" or its representatives.

10. SAVINGS CLAUSE

If any provision of this Agreement shall be found contrary to law, it shall be severed from the Agreement, and all other provisions or application of the Agreement shall continue in full force and effect.

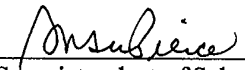

11. PROCEDURAL AGREEMENT STATUS

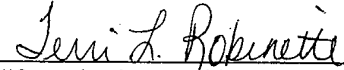

This agreement, when adopted and signed by both parties, shall remain in effect for successive fiscal year periods. Either party desiring changes in this agreement shall notify the other party in writing between January 1 and January 31 of any year. Once such notice is given, negotiations related to changes in this agreement shall commence on a mutually agreeable date within thirty (30) days of such notice.

In the event that the Organization disbands or otherwise ceases to be the recognized bargaining agent, this agreement shall be null and void on that date of such disbanding or cessation of representation.

This agreement becomes effective on the date it has been ratified by both parties.
