CLUB/ACTIVITY NAME: Objective:

6TH GRADE CLASS ADVISOR: Mr. Jim Savarese

Help to organize and coordinate sixth grade events, from Encampment to Medieval Times trips, to food drives, dances, etc.

7TH GRADE CLASS ADVISOR: Mrs. Jennifer McArdle/Mrs. Maureen Mullaney

To help students both socially and emotionally. To be both an advocate and a resource for 7th grade students

8TH GRADE CLASS ADVISOR: Mrs. Karyn Johnson/ Mr. Eric Pechenko

Promote unity and tolerance within 8th grade

STUDENT FORUM: Mrs. Teresa Dzubak

To provide an opportunity for students at each grade level to represent their student body and address concerns and ideas with appropriate action

ACADEMIC TRIATHALON:

The Academic Triathalon provides students the opportunity to work on a team and participate in three competitive events with other school districts, that utilize a variety of academic and creative thinking skills.

ART CLUB: Mrs. Danielle Hiller

To provide members with the opportunity to explore their chosen medium and improve on their creative problem solving abilities. Some artwork will be used to contribute to publications or exhibits.

MIDDLE SCHOOL BOOK CLUB: Mrs. Cynthia Sandler

To help foster a love for reading beyond the classroom To develop a forum where students can discuss contemporary issues and trends

CLUB ESPAÑOL: Mrs. Rose Arnold

To promote cultural awareness

DRAMA CLUB: Mrs. Karen Koestner/Mrs. Susan Quigley

F.C.C.L.A: Mrs. Colleen Fodor

To learn about cooking and baking

MUNCH BUNCH: Mrs. Lynn Colwell/Mrs. Kim Simon

Provide a place for students to play educational games. Students are required to work cooperatively with one another in large and small groups.

MEMORY BOOK: Mrs. Lynn Colwell/Mrs. Kim Simon

To create a memory book for grades 6—8 including portraits, memories, club pictures, and team pictures.

ROBOTICS CLUB: Mr. Ron Hendrie

MIDDLE SCHOOL CLUBS / ACTIVITIES

CLUB/ACTIVITY NAME: Objective:

CLUB/ACTIVITY NAME: Objective:

CLUB/ACTIVITY NAME: Objective: To introduce students to basic elements of robotics including designing and building robots for specific tasks, understanding basic coding principles, and programming robots to meet challenges.

TECHNOLOGY EDUCATION CLUB: Mr. Ron Hendrie

Broaden horizons and increase exposure of students with respect to technology through engineering, designing and constructing projects.

Possible future plans include student competitions.

WARR;ORS: Ms. Melissa Smith

The Warr;ors mental health and Wellness club formed to promote youth to youth education, advocacy, resource awareness and more importantly to address the stigma that keeps so many youth silent and suffering alone. Students in grades 8-12 can participate.
