SCOPE AND SEQUENCE

An Overview of the Instruction and Practice of Standards for Grade 10

INTRODUCTION

The following pages identify which standards are directly taught within each unit as well as where students have the opportunity for spiraled practice. The Instruction table provides an overview of the standards that are instructed and implemented in each selection within the unit. The Practice table provides an at-a-glance view of additional standards that students practice in each selection within the unit as they grow toward mastery.
