Fire Safety Workshop
Thursday, October 10th, 2024
11:00am - 12:00pm, Rm P17

Since it is Fire Prevention Month, The Lompoc Fire Department will be coming to Mission Valley School to give students a special presentation about fire safety. A unique feature about this workshop is when the firefighters demonstrate how their fireproof gear keeps them safe. As an extra treat, students will have the opportunity to explore the inside of a real firetruck! This is a wonderful presentation that the students always enjoy! Please sign up with your child's teacher for this workshop.
