

September 10, 2024

Dear Manhasset School Community,

As you are aware, the Nassau County Police Department has notified us that the police activity near Munsey Park School is related to a domestic disturbance and there is no threat to our schools.

The police have indicated that we can remove the Hold in Place at the Secondary School. However, our school buildings remain in Lock Out until the Nassau County Police Department clears us to resume normal activities.

During a lockout, classroom instruction, and interior activities continue as typical. However, external doors are locked and secured, and no students, staff members, or visitors are permitted to enter or leave the building.

Sincerely,

Gaurav Passi, Ed.D.

Superintendent of Schools
