Dear Manhasset School Community,

The Nassau County Police Department has notified us that we may lift the Lock-Out that was placed on our school buildings. The individual involved in the domestic disturbance near the Munsey Park School is in the presence of the police department.

As a result, the lock-out is over. Dismissal will occur as normal. All after-school activities, including the MAX program will also occur as scheduled.

Sincerely,

Gaurav Passi, Ed.D.
Superintendent of Schools
