Dear Manhasset School Community,

We are aware of several rumors circulating in the community, along with the concerns these may have raised regarding our children's safety. Please rest assured that any rumors shared with the school are immediately communicated to the Nassau County Police Department. The Nassau County Police Department has confirmed that there is no threat to our schools.

Please know that the safety and security of our students and staff are our highest priorities. We are fully committed to maintaining a safe environment and continue to work closely with the Nassau County Police Department to ensure that our security measures remain strong and proactive. Additionally, the Nassau County Police Department regularly visits all three buildings to provide reassurance and demonstrate that our schools are safe.

If you have any questions about our safety protocols or procedures, please do not hesitate to contact me or your child's building principal.

Sincerely,

Dr. Gaurav Passi
Superintendent of Schools
