

September 10, 2024

Dear Manhasset School Community,

The Nassau County Police Department has notified us that the police activity near Munsey Park School is related to a domestic disturbance.

There is currently no threat to our schools. Our schools will remain on Lock Out until we are cleared by the Nassau County Police Department to resume normal activities.

As a further precaution, we have asked Secondary School students and staff to Hold in Place. During a Hold in Place, students and staff limit their movement throughout the school and remain in their current location until further instructions are provided.

Sincerely,
Gaurav Passi, Ed.D.
Superintendent of Schools
