**How to request a college or university for approval:**

Submit the "Request for New School Approval Form" to the Director of HR and the WCAEA President. This form may be found on the HR Department's website. The Director of HR and the WCAEA President will review and determine a school's eligibility for column movement. Unless the status of the school changes, the decision of the Director of HR and the WCAEA President is final and binding. In the event a decision cannot be reached by both parties, the Director of HR and Association President will establish a small committee to review the application.

**Preparation Level (Column) Movement Reminder:**

Please remember, any course for post Master Degree credit must begin either after the Bargaining Unit Member's Master's Degree is conferred by the university, or after the District is in receipt from the Bargaining Unit Member the official notification from the university all requirements of the degree have been fulfilled. Such official notification from the university must contain all of the following:

- a. A completion date (day/month/year) for the completion of the course requirements,
- b. An official, dated (day/month/year) transcript of the grades for the courses, and
- c. The date (day, month, year) on which the degree is scheduled to be conferred officially (graduation).

If all the above requirements are met, the District will use the date of completion as stated on the transcript as the date on which the District considers that the Bargaining Unit Member has received the Master's degree. Coursework after that date will be calculated as hours above and beyond the master's degree.

**Summary of CBA 9.071 Regarding Column Movement Protocols:**

Salary adjustments for level change (AKA column movement) will occur on either the first or the sixth teacher pay period of a given school year if the bargaining unit member has completed all of the following steps:

- 1. Submitted for level change in My Learning Plan/Frontline prior to June 1.
- 2. Completed all applicable coursework prior to September 1.
- 3. Official sealed transcripts verifying completed coursework and indicating a grade of "B" or better have been received by the HR department.
- 4. Movement in the first teacher pay of the school year will occur if transcripts for all applicable credits are received in the HR department by June 30.
- 5. Movement in the sixth teacher pay of the year will occur if transcripts for all applicable credits are received in the HR department by October 1.
- 6. Any salary adjustments for level change will be made retroactive to July 1. This includes bargaining unit members who have completed the required steps listed above but are not be able to provide official transcripts until after October 1. These adjustments will be processed as they are received in the HR office. However, due to the payroll processing schedule the change may not be reflected in the next pay period after which the transcripts were received in HR. The adjustment would be processed in the subsequent pay period.
