

**2013-14 West Chester Area Education Foundation
Mini-Grant Recipients
January 2014**

The West Chester Area Education Foundation has approved mini-grants to classroom teachers in the West Chester Area School District. The grants will be used to fund and support creative, real world experiences for students. Mini-grants were awarded at all levels and will help teachers to make connections between what they are teaching in their classrooms and what students will experience in life and the world of work.

Congratulations to the following people for receiving a 2013-14 mini-grant:
