

Positive Themes that Emerged As a Result of a Later School Start Time

- Due to the later start time more students eat breakfast and gather in the school cafeteria before school. This is very important for economically disadvantaged students.

- Students with disabilities and students with mental health issues benefit from more processing time in the morning.

Themes that Emerged As A Result of a Later School Start Time That Need Consideration...

- Due to the change in start time, students have less time after school for a variety of activities i.e. extra help, clubs, jobs etc.
-
- A change to a later school start time, leads to a longer day for BOCES students.
 - Transportation and traffic Issues may result from a change to a later start time.
