## Jackie Carden Elementary Quality Report *Comprehensive Accountability System*

### Crowley ISD School Board

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.

“

The principal and the admin as a whole are really into the kids. They pay attention to the kids. I have a kindergartener and a 5th grader on the campus. Mrs. Eason and Mrs. Webb, my kindergartener's pre-school teachers, helped my daughter. She never did daycare. She was 3 years old when she started. Her pre-k teachers here helped mold her into becoming a big girl. She was one of the youngest in the class, but she came out as one of the highest. She was reading at 4 years old! The instructional specialist made sure my 5th grader was ready and she passed the STAAR on the first try.

“

I have learned a lot here at Jackie Carden. Seeing the kids and how much they grow over time makes me feel proud and happy. Working here is fun. Our curriculum is foundational. We teach the kids skills in a sequential order to ensure they are learning concepts in depth.

“

What I like about this school is that I get a chance to make a bunch of new friends. I can get a fresh start. I moved from Virginia. My teacher Mr. O is kinda like the fun teacher.
