<b>REPORTING RELATIONSHIPS:</b>	Position is supervised and evaluated by the department director.	<b>COMPENSATION:</b>	Placement on the PSEC Salary Schedule
<b>REPRESENTATION:</b>	Public School Employees of Cheney (PSEC) a local chapter of Public School Employees Union (PSE) SEIU Local 1948		

**POSITION:** Journeyman Refrigeration/Appliance Technician (HVAC-R 06A/06B, EL07)

**GENERAL DESCRIPTION**

Maintain and repair existing kitchen systems and/or equipment in all District buildings and facilities. Responsible for installation, repair and/or maintenance of Nutrition Services cooking, heating and refrigeration equipment systems, including diagnostic testing, repair, and maintenance of kitchen systems and equipment, refrigeration, heating and cooling and steam distribution systems. Service, maintain, repair, or replace District appliances, small commercial/industrial appliances, and other small electrical utilization equipment.

**ESSENTIAL FUNCTIONS**

An employee hired for this assignment may perform all or some of the responsibilities defined below:

- Responsible for installation, maintenance, troubleshooting and repair of various types of kitchen equipment systems including two and four pipe fan coil systems, package rooftop and split systems, both gas and electric.
- Service and repair hot, and chilled water distribution systems in kitchen equipment.
- Inspect, maintain, and repair all related plumbing, heating, and refrigeration in all facilities' kitchens.
- Service and repair of various appliances for the Nutrition Services program, including low and medium temperature refrigeration units, both water and air cooled, milk coolers, steamers, and ovens.
- Installation, service and repair of Rational kitchen equipment.
- Operate and maintain tools required for the job, including but not limited to, electrical meters, air flow hoods, refrigerant scales and gauges, refrigerant recovery units, brazing, hand drills, testing equipment, diagnostic tools, etc.
- Maintain tools, vehicle, and other maintenance equipment in good repair.
- Maintain a material and parts inventory conducive to an efficient department.
- Use industrial chemicals, solvents, and cleaners in a safe and effective manner.
- Install and maintain signage necessary for safety.
- Service, maintain, repair, or replace utilization equipment.
- Maintain, repair, or replace (like-in-kind) existing electrical utilization equipment, and all permit exempted work.
- Estimate time and materials for projects, assist and monitor inspections as required.
- Attend required training courses to maintain licensing and current industry knowledge.
- Direct and instruct temporary help as assigned.
- Provide for the safety and comfort of students and staff.
- Responsible for routine maintenance and cleaning of hand and portable power tools used in performing job duties.
- Assist Maintenance & Operations department as needed.
- Perform other duties as assigned/required.

Each of the positions in the Nutrition Services Department serves as one unit of the whole team, and as such, is subject to assist or is assigned to tasks in other trades within the classification.

**KNOWLEDGE, SKILLS AND ABILITIES**

**Knowledge of:** Standard practices, methods, procedures, materials, tools and equipment used in electrical and mechanical trades, as well as HVAC-R work; principles of operation of HVAC-R and electrical systems; OSHA/WISHA work safety practices; occupational hazards of HVAC-R and electrical trade; refrigerant management and disposal; computer management programs; procurement procedures; national, local, and state standards; hazardous materials handling; lock out/tag out procedures; adhesives, fasteners and welding/soldering agents and components.

**Ability to:** Work independently; read, interpret and update blueprints; operate DDC scheduling and control systems; estimate time and materials; instruct helpers; use all types of hand and power tools; maintain accurate schedules and records; ability to erect

*Serving the Communities of Airway Heights, Cheney, and West Plains*

and use scaffolding; work at heights to 40 feet; respond to emergencies as needed. Obtain a license to and successfully operate forklift, operate necessary power tools; use efficiently all hand and portable hand power tools of the trade; read, understand, and follow directions, specifications and other related documents as written by manufacturers; ability to estimate project cost and materials; work safely; operate computer and phone for basic tasks (email, internet, documents); ability to prioritize work and project management in order to meet required deadlines; direct and instruct others as assigned; work alone or in a team setting; maintain good rapport with students, staff, and the public; participate as an effective, contributing member of the District's nutrition services team.

#### **MENTAL DEMANDS**

- Required to deal with a wide range of behaviors and needs in a positive and service-oriented manner
- May experience shifts in work schedule and/or work site according to district needs
- Sustain mental awareness while also maintaining attention to details and safety requirements
