

Pennsylvania Free Enterprise Week –Summer 2017

Supported by the West Chester Area Education Foundation

WHAT IS IT???

♦A week of both work and fun, where eligible sophomore and junior students learn about our private enterprise system by working with some of Pennsylvania’s top executives. Students get the experience of living on a college campus and working with other students from across Pennsylvania. Representatives from different career fields including law, finance, engineering, manufacturing, advertising, environmental protection, computer technology, politics and others, will share their expertise and experiences.

WHERE & WHEN IS IT??? You pick the week
