

Summer, Alcohol, and Teens

Monday, April 19, 2021

6:30 PM

Presented by Christine Storm, MPH, Director of Community Education at Caron Treatment Centers.

With warmer weather comes increased alcohol consumption by both adults and teens. Learn what you can do to protect young people from social behaviors that create normalcy around drinking alcohol.

In this presentation we will:

- review common social and emotional motivations for underage drinking.
- cover common misconceptions about alcohol that influence parenting choices.
- share tips on modeling responsible alcohol use and educating teens to have a healthy perspective on alcohol in adulthood.

Together we'll learn practical strategies that set kids up to make sound decisions about alcohol in their teen years.
