Once your grading categories are created, you can map them to PowerSchool.

1. Choose the PowerSchool Icon from the column on the left.
2. Choose the Configuration tab at the top.
3. Check the box for "Customize grade category mapping"
4. Using the drop down menu, chose the Schoology Grade category that will map to the PowerSchool Grade category
 - a. You will see all Schoology and PowerSchool Categories
 - b. You can map more than 1 Schoology grading category to a Power School category (or leave one blank). This is shown below where both Classwork and PSSA review will be designated as a "Project" in the PowerSchool grading category.
 - i. To add more than 1, use the add link next to the drop down menu to choose multiple Schoology Course Categories.

The screenshot shows the Pearson PowerSchool interface. On the left is a navigation menu with icons for Course Options, Materials, Updates, Gradebook, Mastery, Badges, Attendance, Members, Analytics, and Workload Planning. The 'PowerSchool' icon is highlighted. Below it, the 'Access Code' is ZV4FN-B8MWC with a 'Reset' link. The 'Information' section shows the grading period as 2015-2016 School Year from 8/31/15 to 6/18/16.

The main content area has a green header with 'PEARSON' and 'ALWAYS LEARNING'. Below the header are two tabs: 'Sync Grades' and 'Configuration'. The 'Configuration' tab is active. The 'Configuration' section includes a note about 50-character assignment titles and a checkbox for 'Automatically shorten assignment titles'. The 'Customize grade category mapping' section is expanded, showing a table with two columns: 'Schoology Course Categories' and 'PowerSchool Categories'. The table contains five rows: Homework (maps to HOMEWORK), Quiz (maps to QUIZ), Test (maps to TEST), Classwork (maps to PROJECT), and PSSA Review (maps to PROJECT). Each row has a dropdown menu and an 'Add' link. A 'Save Changes' button is at the bottom.
