DAY 3

Read the passage 3 times.

Answer the questions below. Underline your evidence.

Fall Festival

Steve and his family go to the Fall Festival every year. It is a festival in his town each October to celebrate the harvest, or gathering of crops from the fields that are ready to eat.

At the festival, there are rides, contests, and a lot of food! Steve's favorite is the pie-eating contest. He has won 3 years in a row. Last year he ate 7 blueberry pies! His little sister, Tara, loves to go on the hayride. Each year their family brings a pumpkin from their garden to enter in the biggest pumpkin contest. Last year they won 2nd place!

Steve likes to ride the Ferris wheel around and around. When he gets to the top, he can look out over the whole town. Tara likes to ride too, but only if Steve sits next to her and holds her hand. She gets a little scared at the top. The Fall Festival is Steve's favorite thing all year!

--	--	--

When is the Fall Festival?

What does Tara love to do?

When does Tara get scared?

Do you think you could win a pie-eating contest? Why or why not?

Make an inference. What are crops?

Circle words or phrases in the passage that gave you a clue.

Name: _____ Date: _____

Tap and Write

Read and tap out the word. Write the letters that represent the sounds. Remember a digraph is two letters that makes one sound, so it gets only one tap.
