

District Weekly Update

October 1, 2024

1. Lincoln Park Day 2024

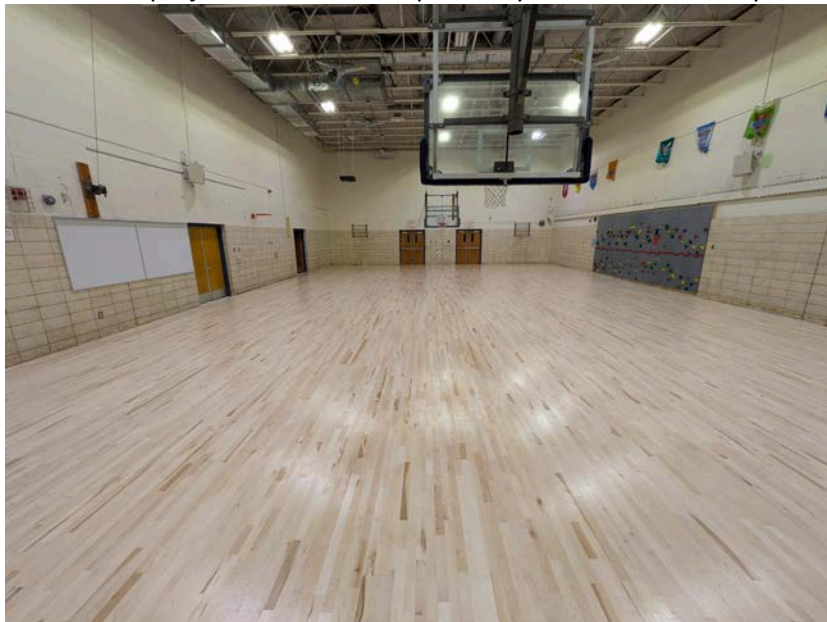

Without a doubt, the Lincoln Park Teachers Association is dedicated to representing our schools in the most possible fashion. Just a special note of thanks to all those staff members who attended Lincoln Park Day on Saturday, September 28. Please see the names of the teachers featured in the picture below.

2. LPES Flooring

The installation of the gym floor is progressing as planned. Currently the floor has two coats of finish on it. The next step is lining the floor for a variety of activities. The final stage will include several coats of finish. The project should be completed by mid-October as expected.

3. LPES Construction

As part of the referendum project, the District is adding four classrooms to the LPES. The pictures below show the poured foundation. The anticipated completion date is August, 2025. We will keep you posted on the progress.
