

COLEGIO SAN IGNACIO

The Jesuit school of Puerto Rico • Men for others

2024-2025
SCHOOL PROFILE

ABOUT OUR SCHOOL & COMMUNITY

Colegio San Ignacio de Loyola is in a suburban area of San Juan, the capital of Puerto Rico. Our school is a Jesuit, Catholic college preparatory school that seeks to form young men of competence, conscience, commitment, and compassion. Through our academic, athletic, co-curricular, spiritual, and service programs, we challenge our students to become young men of integrity, faith, and justice, committed to academic excellence and service for others.

MISSION STATEMENT

We are a Jesuit school, a learning community that offers a comprehensive, catholic education of excellence. We evangelize by educating young men and their families and by serving as a bridge between diverse contexts, to promote a sustainable world in which human relations are solidary, just, and fraternal, for the Greater Glory of God.

CSI GRADING SYSTEM

CSI provides final grades by semester. The first semester runs from August to December, and the second from January to May. Final letter grades are converted to numerical grade points to calculate the cumulative grade point average (GPA). Advanced, Honors, and AP[®] courses are weighted. **For Advanced and Honors courses, the grade will be raised by 0.5. For an AP course, when calculating the GPA, the grade will be raised by 1.0. We do not rank students.**

A+	4.30	100-97
A	4.00	96-93
A-	3.70	92-90

ACCELERATED PATHWAYS FOR TALENTED STUDENTS IN MATHEMATICS

San Ignacio offers multiple accelerated pathways for mathematically gifted students. The Math PAC Program, available as an after-school option for sixth-graders, allows successful participants to enroll in Pre-Algebra upon admission to San Ignacio. Students can also advance by excelling in departmental and standardized tests, including College Board exams, which demonstrate mastery of skills and content for specific subjects. These test scores and placements are recorded on student transcripts. San Ignacio provides a range of advanced, honors, and AP Math courses, and students can additionally access online AP classes through the Arrupe Virtual Learning Institute. The success of these diverse pathways is evident, with 19 students this year enrolled in Math classes beyond their current grade level, showcasing the program's effectiveness in nurturing mathematical talent.
