

SCHOOL PLEDGE

Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

“ TO THROUGH AND BEYOND COLLEGE ”

Excellence begins with Me

Excellence begins with Me is our theme for this school year. This means that we must all hold ourselves accountable for Glazer to be successful! This includes teachers, students and families!

GOALS FOR THE 24-25 SCHOOL YEAR

PERFORMANCE

- NWEA MAP Growth - 65% of students will meet/exceed their projected growth in reading and math from Fall to Spring
- M-STEP proficiency – increase student proficiency in math and reading by 20% per each content area-(rdg-20%/math 20%-both)- as compared to the previous year
- *PSAT –Increase the college readiness by 20% as compared to the previous year.

ATTENDANCE

- Chronic absenteeism and tardies - Decrease by 15% in comparison to the previous year's rate (both CA and Tardies)
- * Increase ADA - Goal is 95%

INTERVENTION

- Students will have an average mastery of 80% or higher of skills during scheduled intervention time.

Student Attendance

Good attendance is very important. It is imperative that students are at school daily and on time! Student performance is greatly affected by their ability to be in class daily and mentally present. School hours are from 8:00-3:30 this week forward. One of our Glazer values is being on time! Remember students are tardy after 8:05. We need our students in school every day ready to learn. There is a new policy in regards to tardies! All students arriving after 8:05 **MUST BE SIGNED IN IN THE MAIN OFFICE.**

Remember our goal is to reduce our chronic absenteeism by 20% from 54% to 34% and to increase our average daily attendance from 86% to 95%!

All students who attend each day during the first week of school will earn 5 free dress passes!

Shout out to 5th Grade, 6th grade and 8th grade for being above 90%!! Our R&R Champions this week are 6th grade!!!

Staff Spotlight –

Hello, I am Ms. McCreary. I am part of the Parent and Community Liaison team for New Paradigm Glazer and College Prep. Some fun facts about me are that I was born and raised on the beautiful tropical Island of St. Thomas U.S. Virgin Islands. I have been with the NPFE family for 20+ years. I have obtained my undergraduate degree from Florida Memorial College (HBCU), and my Masters degree from Wayne State University (the home of Warrior). I am extremely excited to work with the parents in a different capacity during this school year 2024-2025.

Ms. Morgan's Attendance Tip of the Week

Attendance is a parent and student responsibility. Let your child know that you think attending school daily is important. Show them you are interested in their school activities and tell them that you want them to do well in school.

Building homework habit

Here are our suggestions to help your child thrive during their study sessions.

1. Make use of at-home learning technology. ...
2. Eliminate distraction. ...
3. Set regular but short breaks. ...
4. Designate fixed studying and school work areas. ...
5. Try alternatives to reading. ...
6. Set a fixed time to study. ...
7. Give Regular praise. ...
8. Reassess on a regular basis.

Constitution Day – September 17, 2024

The purpose of Constitution Day is to commemorate the signing of the U. S. Constitution, and to honor and celebrate the privileges and responsibilities of U.S. citizenship for both native-born and naturalized citizens. In Michigan we are required to teach our students about it and it's importance.

Uniform Policy
