

CHRISTMAS ASSISTANCE 2024

Multiple agencies in Hall County collaborate each year to offer a single registration process for families seeking holiday assistance. All elementary and middle school students, along with their siblings, who are in need, are eligible to apply. To sign up for these services, please follow the steps outlined below.

1. ONLINE APPLICATION

Complete the online application by scanning the QR code or entering the web address. You will need an email address to register. Be sure to complete all required questions for each child needing assistance.

You must attend in person (step-2) to complete the application process.

2. ATTEND REGISTRATION IN PERSON

Attend one of the in-person registration nights to complete document verification. No children are allowed for this event. The in-person registration is **mandatory**. Applications submitted after the final in-person event are not guaranteed to be matched with an agency.

Bring the following documents with you:

- Photo Identification

- Proof of Income for all adults* (W-2 or current paystub)

3. SELECTION & COMMUNICATION

After registration, each organization or sponsor will decide which families they will serve. You will receive an **email by 10/31/24** informing you of the agency or sponsor that has selected you and the next steps for gift pick-up.

Please note that you cannot choose your agency, and you must respond to the email to confirm your participation, or your spot will be forfeited.
