PROJECT MOMENTUM TRAILBLAZER SPOTLIGHT

Rachel Wylie

This week, we're thrilled to highlight an incredible first-grade teacher, Rachel Wylie, who exemplifies dedication and passion for intentional reading instruction! Rachel's clear embrace of district initiatives, along with her commitment to Project Momentum and the PLC+ work led by Melissa Tannehill and Jennifer Kahn, truly sets her apart. She skillfully helps her students "ignore the distractions" around them, creating a focused and positive learning environment that fosters a love for reading. Thank you, Rachel, for your inspiring work and for making such a difference in our classroom community!

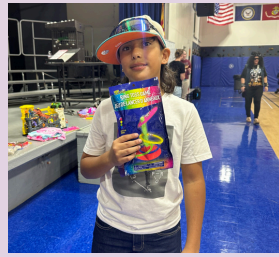

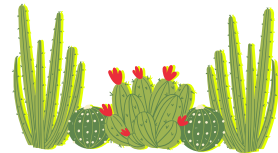

HES FAMILY NIGHT!

B I N G O

The Bradshaw Mountain Bike Team started the season strong with two first-place victories! Isaac W. dominated his category, taking the top spot in both races. Though small in numbers, this team is showing they're a force to be reckoned with on the trails!

The ELL Department held an Orientation meeting for Babel, an online language program. The district offers free online English classes to parents of English Learners. Throughout the year, they are supported by our Babel Coordinator, Judith Garcia. By learning English, among many other benefits of becoming bilingual, parents can better support their students on their education journey.
