

Message From the Principal

OHS Families,

Our students had a busy September with many of them participating in athletics, band performances at football games in addition to other numerous club activities. The positive energy from students and staff has been evident throughout campus. As we close in on the end of first quarter/halfway point in the semester, we are eager to strengthen connections with our families. We look forward to seeing you at the Homecoming Football game next Friday, October 11th. Included in this update is additional information regarding the upcoming school year. Please do not hesitate to contact us if you have questions or need assistance. We are here to help, and we look forward to a great school year!

Sincerely,

Daybreak

OUHSD has contracted with Daybreak Health to provide mental health counseling services to our students. Counseling services are free of charge and take place via telehealth.

We are excited that the [direct referral form](#) is ready for use! This form allows students and parents to submit a referral to Daybreak directly. This can be an especially helpful access point for students that feel more comfortable raising their hand for support in this way, as well as for parents who are seeing needs from their child at home that aren't necessarily showing at school.
