This guide was created as a resource for the parents, guardians, caregivers, staff, and community partners of the Oceanside Unified School District. It is a living document and will be updated as needed and as new resources are identified. For an up-to-date list of current programs and services, please visit the OUSD Family Resources website at www.oside.us. The resources listed are, for the most part, located within the city of Oceanside. For a more comprehensive list of services available throughout San Diego County, please visit the 211SanDiego website.
