

TRINITY BASIN PREPARATORY

Optional Device Insurance Coverage for Students

Each student in 1st through 12th grades will be issued a Chromebook device to be used for educational purposes. The device is issued at no cost to the student. The student/parent will be required to pay for the full cost of any repairs or replacement due to damage or loss, while the device is in the student's possession, **unless** optional and voluntary device self-insurance coverage ("Insurance") is purchased as outlined below.

Optional Insurance Premium: \$20 per student

Insurance coverage period begins on August 13, 2024 and ends on May 23, 2025 ("School Year"). Insurance may be only purchased from August 1, 2024 through October 31, 2024 and is only effective following full payment of the Insurance Premium. Insurance must be purchased through MySchool Bucks (directions are attached).

Parents may purchase insurance to cover all or a portion of the cost to repair or replace the device in the event of accidental damage, loss, or theft as described below. Accidental damage, loss, or theft that occurs prior to the effective date of the Insurance will be covered provided such Insurance is effective prior to the submission of the claim to TBP for repair or replacement.

Terms of Insurance Coverage (if Insurance is purchased):

1. Glass Breakage – Repair or replace the device glass screen due to accidental damage. This is limited to **once** per School Year and there is a \$0 deductible.
2. Other Damage – Repair or replace any other accidental damage to the device other than the glass screen. This is limited to **twice** per School Year and there is a \$0 deductible.
3. Accidental Loss – Replace the device due to accidental loss. This is limited to **once** per year and there is a \$100 deductible payable by the student.
4. Theft – Replace the device due to theft. This is limited to **once** per School Year, and there is a \$100 deductible payable by the student.

Note: If a device is damaged or lost either **intentionally or recklessly**, Insurance coverage will not apply and student will be charged the uninsured cost of repair or replacement even if Insurance was purchased.

Terms of Repair/Replacement if (i) Insurance is not purchased, (ii) damage falls outside of Insurance coverage (ex: intentional damage); or (iii) Insurance coverage has been used (ex: second request for repair of the device glass screen):

1. Glass Breakage – Repair or replace the device glass screen. Student cost is \$50.
2. Other Damage – Repair or replace any other damage to the device other than the glass screen. Student cost is \$50.
3. Loss – Replace the device due to loss. Student cost is \$200.
4. Theft – Replace the device due to theft. Student cost is \$200.

All requests relating to Chromebook devices must be handled through TBP administration.

MySchoolBucks

Set-Up Directions

- If you already have a MySchoolBucks account from another district, log in and change the district to “Trinity Basin Preparatory.”
- If you are new to MySchool Bucks, please take the following steps to set up your account:
