Crowley ISD School Board

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.

“Our first-grader started the Montessori program with CISD at 3 years old, and we couldn't be happier with the experience, especially under the leadership of Mrs. Delgado. He is excited each and everyday and comes home telling us all about the opportunities he has to be a leader in and out of the classroom.”

Nicole, Crowley Montessori Academy Parent

“I love that we bring such a high quality Montessori education to the public sector where all students are learning to plan, be independent and perform at high levels.”

Lisa, Crowley Montessori Academy Teacher

“I like that you don't have to sit at desks and that you can work on rugs and work individually or with friends. I love our new school!”
