Dallas Park Elementary Quality Report

Crowley ISD School Board

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.

Dallas Park Elementary has been such a cornerstone for my daughters. It hasn't just been a school to the Ballard family but rather a community where we have built lasting friendships and memories. The teachers and staff have always gone above and beyond to support and nurture our children, making it a place where they feel safe and inspired to learn and ask questions when unsure.

Krystle, Dallas Park Parent

Dallas Park is a welcoming and joyful place for both students and staff. We are here to serve our students and we care deeply about fostering relationships with our families. I have built relationships with families at Dallas Park, often teaching siblings after older students have moved on. I also feel that family connection with coworkers.

Keila, Dallas Park Teacher

Both of my older sisters went to Dallas Park and I've been here since I was in kindergarten so it's been easy to make friends. I like the teachers at Dallas Park because I can go to them if I am having trouble with a math equation or anything.

Matthew, Dallas Park Student
