Sidney H. Poynter Elementary Quality Report

Comprehensive Accountability System

Crowley ISD School Board

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.

“ I love the culture of the school. I feel included in every decision about my children and I am asked what motivates them at home. I feel like a part of the big picture. The kids are welcoming and so helpful!

Tiffany, Sidney H. Poynter Parent

”

“ I like that I am proud to work here! It feels good to represent a school that truly cares about every single student. Seeing parents and students of the past remembering me and running up to hug me is such a warm feeling. I feel like I've made a difference in their lives for the better.

Brittany, Sidney H. Poynter Teacher

”

“ I like that the teachers care about me. They say hi in the hallways. I like how I can do arts and crafts in STEM and when frustrated the teachers don't get mad at me.

Ruby, Sidney H. Poynter Student
