District Earns 5-Star Rating On Ohio School Report Card

Buckeye Valley Local Schools is pleased to announce that the District has earned an overall rating of 5 stars, the highest a district can receive on the Ohio School Report Card. We are especially proud to have earned a 5-star rating in the areas of Progress and Gap Closing as this indicates our students are receiving the instruction and support needed to meet or exceed graduation requirements.

Also, 100% of our twelfth-grade cohort students graduated. This is an all-time high for BVHS. Way to go class of 2023.

The Buckeye Valley Board of Education along with the Superintendent and Administrative team would like to thank our dedicated teachers and staff for their passion and expertise. Also, we want to congratulate our students for their dedication and perseverance, and finally a special, thank you to our families and the BV community for your support and partnership. Working together we will continue to raise the level of achievement in Buckeye Valley for all students.
