

Grand Prairie Collegiate Institute T-STEM/Admin Leadership Meeting 10.11.2022

Good Things—Celebrating Baylor's Grandmother's 101 birthday! Celebrating Sala's Great Aunt 88 birthday. Layne had great weekend, meeting a very interesting 84 year old man to talk to, family time at State Fair. Heine—children playing flag football and soccer this weekend—Adrian scored 3 touchdowns.

The Opportunity Myth Article—review of article and discussion of how it applies to GPCI. Discussion of sharing the article with instructors, conducting our own survey and having a brainstorming session with instructors. Discussion of Building Thinking Classrooms. Consider adding this in as book study.

BB coms Tutorial

CIP -Need first meeting and members—Sala will send out member invites Need to post member list, plan and Title I meeting and dates on website.

Update Potential Calendar-All

- Need to update Parent Informational Sheet
- Recruitment—we may need to all divide and conquer—reaching out to other schools and coordinating recruitment
- Plan out Parent Universities
 - Canvas training—need lead instructors though—how to see assignments, instructor comments, etc.
