District Goals

The RRSD continues to strive for student academic and personal growth through outstanding environments, student character and well-being, pride and image, and fostering communication. We are excited about the curricular and behavioral improvements we made in the 2022-23 school year. We believe our schools will continue to grow and improve as we move into the coming years.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
