### DISTRICT TRANSPORTATION POLICY

- I. Responsibility for transportation in the Remsen Central School District is invested in the Board of Education. The administration and supervision of all facilities and personnel related to transportation has been delegated to the Superintendent. The Superintendent has developed and ordered administrative rules and regulations of transportation. At the direction of the Board of Education, the general administrative and supervisory responsibilities for transportation has been invested in the Business Manager and Transportation Dispatcher. He will assign buses or other vehicles, arrange for drivers, plan routes, and time schedules, and provide for whatever details are necessary to make each trip a rewarding, pleasant, and educational experience.
- II. Transportation is now a major function of school operation. As such, it requires special attention in order that the greatest benefits will accrue for the dollars expended. The following major objectives serve as a guide in the management of pupil transportation:
  - a. To furnish transportation to those pupils whose health and distance from school makes this service essential.
  - b. To provide the safest possible transportation.
  - c. To operate transportation efficiently and economically.
  - d. To adapt transportation to the requirements of the instructional program.
  - e. To maintain conditions on the buses which are conducive to the best interests of the pupils, including mental, moral and physical considerations.
  - f. To promote a sympathetic public understanding of the transportation system, including safety, adequacy, efficiency, and standards of service.
- III. The District Transportation Handbook is to be considered "Standards of Performance" for both bus drivers and pupils being transported on contract buses and district owned buses.
- IV. School bus routes and pick-up points will be established by the Bus Mechanic and Administrative Assistant with annual approval by Administrative Assistant.

## STUDENT TRANSPORTATION

### I. Statement of Policy

The policy of the Board of Education (the Board) is to provide for the safe, orderly and efficient transportation of students in the Remsen Central School District (the District).

### II. Objective

A. The safety and efficiency of the transportation system depends upon a number of factors including:

1. Efficiently operated equipment.
2. Well-trained bus drivers and monitors.
3. Well-planned bus routes.
4. A review, at least once a year, of school bus schedules and routing plans to ensure that maximum efficiency and safety are maintained.
5. A review, at least once a year, of the eligibility for transportation of students residing in the District to ensure that all entitled to the services receive them.

### B. Supervision and Scheduling

At the direction of the Board of Education, and under the supervision the Superintendent, the ~~Director of Transportation, Buildings & Grounds~~ Bus Dispatcher will hold the general administrative and supervisory responsibilities for transportation. The ~~Director of Transportation, Buildings & Grounds~~ Bus Dispatcher will assign buses or other vehicles, arrange for drivers, shall establish bus routes, authorized bus stops be located at convenient intervals in places where students may embark and disembark the buses, with the utmost safety allowed for by road conditions.

### III. Guidelines

#### A. Bus Routes

1. Grades Pre-K thru 6<sup>th</sup> grade will be picked up at their home unless the District and parents/guardians mutually agree to other arrangements.
2. Students in grades 7-12 that attend the High School whom live in the village of Remsen and has access to the village sidewalks will walk to school, weather permitting.

### STUDENT TRANSPORTATION

3. Transportation will be provided to students living along major highways.
4. Modification to transportation on side roads may be necessary if unsafe conditions exist. Examples of unsafe conditions are flooding, road erosion, mud, snow and ice.

#### B. Transportation of Students with Handicapping Conditions

Students with handicapping conditions in the District shall be transported up to fifty (50) miles (one way) from their home to the appropriate special service or program, unless the commissioner certifies that no appropriate nonresidential special service or program is available within fifty (50) miles. The Commissioner may then establish transportation arrangements.

#### C. Transportation for Non-Public School Students

1. Transportation requests for students attending nonpublic schools shall be received by the District no later than the April 1<sup>st</sup> preceding the beginning of the next school year. If a student moves into the District later than April 1<sup>st</sup>, the request should be received within thirty days of establishing residence in the District, but preferably no later than August 1<sup>st</sup>.
2. All late requests, however, shall be considered by the Board on the basis of each case's merits. Criteria used by the Board in judging whether to accept a late request may include, but not be limited to, the following:
  - a) whether transportation will require an additional cost, and, if so,
  - b) the reasonableness of the excuse for the late request.

#### D. Transportation of Extra-Curricular Activities

1. Upon approval of the **Bus Dispatcher** ~~Director of Transportation, Buildings & Grounds~~, school vehicles may be used to transport students on field trips, athletic trips and other extracurricular trips. General bus procedures and rules are to be followed.
2. Students will be transported back from the trip to either the point of departure or to the appropriate school in the District, unless the parent or legal guardian of the student has provided the school with written notice authorizing release of the student to the parent or legal guardian, unless intervening circumstances make such transportation impractical.

STUDENT TRANSPORTATION

3. In cases where intervening circumstances make transportation of a student back to the point of departure or appropriate school impractical, a representative of the District shall remain with the student until such student's parent or legal guardian has been:
  - a. Contacted and informed of the intervening circumstances which make such transportation impractical; and
  - b. Such student has been delivered to their parent or legal guardian.
4. Students are to be supervised at all times by a District employee until they are released to their parent or legal guardian.

IV. Student Conduct

- A. Students riding school buses are expected to conform to the rules of conduct as described in the District's Code of Conduct Policy in order to permit the bus driver to transport passengers safely.
- B. The Board of Education and/or Superintendent has the authority to suspend transportation privileges of children who are disorderly and insubordinate on buses. In these cases, the parents/guardians of the student involved become responsible for seeing that their children get to and from school safely.
