- VISION STATEMENT -

Remsen Central School District forever aspires to be a unique, distinguished, welcoming learning community that fosters a growth mindset and essential traits of great character. RCS will remain dedicated to cultivating and supporting each student's individual abilities and interests as they confidently work to realize their full potential to lead happy, healthy, successful lives. All Remsen students will Soar to Success.

MESSAGE FROM THE SUPERINTENDENT

Dear Remsen Community,

I hope that everyone is having a memorable summer, squeezing as much time as possible out of every beautiful day. Time seems to fly by faster as each year passes. All the more reason to always remind ourselves that each day is a gift, full of possibilities.

Speaking of possibilities, a great benefit to the cyclic nature of a school year is the fact that each September presents an opportunity to start fresh with a clean slate at a starting line packed with possibilities and potential for students and staff alike. We welcome and encourage our Remsen students to try new things, challenge themselves in rigorous course work, join a new club or athletic team, and be involved. The diverse range of quality learning experiences and student opportunities paired with a community that recognizes and celebrates hard work, kindness and the importance of a successful education is what makes Remsen so special.

Summer has been very productive here at RCS! For individuals that may not be familiar with how a school operates during the summer, all twelve-month team members begin the "new" school year on July 1. Twelve-month staff members include the custodial, cleaning and grounds worker team, the bus dispatcher and bus mechanic, all administrators, the District Office, the Business Office, Instructional Technology, and all administrative assistants. In addition to our twelve-month staff, we have numerous bus drivers that work to transport students, student workers helping with cleaning and painting, teachers and support staff that make summer enrichment programs and summer school happen, our school counselors preparing schedules and working on our counseling program opportunities for a new year, the CSE chair ensuring IEPs, evaluations, and 504s are set to best serve our students, teachers working on curriculum and professional development, BOCES Food Service preparing breakfast and lunch for our summer students, and coaches getting excited for the upcoming fall season. To an outsider, summer may seem like it would be a less busy time at school. It is just as busy, just a different type of busy!

This year we welcome an enthusiastic cohort of new team members, including our new elementary principal, Mrs. Jody Lamphere, and we are excited for Mr. Winghart in his new role as Remsen's Technology Curriculum Coordinator. Please be sure to read about them in this newsletter! We also congratulate and thank our retirees from the 2023-2024 school year and wish them all the best as they set out on their next adventure.

Construction for 2024-2025 will include our Capital Outlay Project to replace the worn high school stage floor with a new wood floor and we also anticipate work to begin on our large Capital Improvement Project starting in the spring. Stay tuned for more information.

New this year, we will be unveiling the *Remsen Air Drop* support system for students and families when they face challenging times of need to ensure that all students may *Soar*. Please read more about *Remsen Air Drop* in this newsletter.

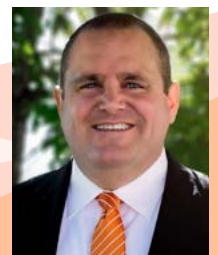

The solid foundation and relationships that students build at RCS and in our greater community enables our graduates to define their own success to lead happy, healthy, successful lives. Most importantly, our school would not be what it is today without your support. Together, we can motivate and inspire students and adults to be remarkable people and to do great things. You are appreciated!

As we ready to start out a new school year together, let's celebrate all of the possibilities that await us at a brand new starting line for 2024-2025! We look forward to seeing everyone soon and we certainly can't wait to see our students once again! As always, we will do what it takes to ensure that Remsen Central School continues to *Soar to Success*.

It is an honor and a privilege to be your Superintendent. Here's to an extraordinary school year ahead!

Sincerely,

Timothy Jenny | Superintendent

DEAR REMSEN FAMILIES,

I hope you all had a wonderful summer and are ready for another great year at the high school!

I look forward to seeing all of our students return to fill the halls with the joy and excitement that a new year brings. A warm welcome to the seventh grade students joining us. I look forward to all of the wonderful things you will add to our school community. Also, a special shout-out to the class of 2025. This is your year to shine and it will be filled with amazing memories. I am excited to celebrate with you and your family throughout the year.

As we start another year together, I encourage everyone to consider what positive impact you can make on our school and community. How can you show kindness to others? What clubs and activities will you join that will help you forge new connections? What can you do to help Remsen be the best place to be? One of our Core Values at Remsen states that **the little things make a big difference**. So I encourage all of our students to start this year doing the little things like offering a helping hand or saying hello to someone as they walk by you in the morning. All of these small acts will have a big impact on our school community.

This year we will again celebrate students and support their growth as individuals. We will continue our established traditions, such as academic celebrations, ram ticket drawings, school dances and pep rallies, while considering new ways for our students and the school community to show their Remsen pride.

Welcome Back to School Night is a wonderful way for us to come together as a school community. Please join us on September 3 from 5:30-6:30 p.m. This is a great opportunity to talk to teachers and staff, tour the building, try out your locker, get information about athletics and clubs, and reconnect with friends before the start of school.

I look forward to partnering with families so all students will **Soar to Success** again this year!

Sincerely,

Sanya Pelrah

Sanya Pelrah | Jr./Sr. High School Principal

Remsen **AIR DROP**

SUPPORT COMING SOON!

We are committed to quality student learning, service and preparation. Part of this commitment includes helping our students and their families when they are in need. Presenting **Remsen Air Drop**, a joint effort to ensure that our students can Soar to Success. For students and their families in PK-12th grade, in times of struggle, we can help!

Students will have access to **Remsen Air Drop** throughout the school day within the high school building, and all families PK-12 will have access to **Remsen Air Drop** by filling out a confidential form that will be located on our school website to gain access to the resources they may need. We also plan to have **Remsen Air Drop** present at various school events throughout the year. Resources include: clothing, hygiene products, nonperishable foods, household necessities, school supplies and more!

All resources made available to students and their families are donated to **Remsen Air Drop** by caring individuals and organizations that would like to ensure that all students have what they need to earn their wings. If you are interested in helping support **Remsen Air Drop** in any way, please contact Emily Laurey at 315-205-4300 ext. 5200/ext. 4426 or elaurey@remsenncsd.org, or contact Autumn Fasolino at 315-205-4300 ext. 4230 or afasolino@remsenncsd.org. Stay tuned for more details!

DEAR REMSEN FAMILIES,

I hope that this newsletter finds you enjoying time with family and friends. Summer is a wonderful time to make memories that last a lifetime. It's hard to believe but the 2024-2025 school year is quickly approaching. A new school year brings excitement, wonder and sometimes a bit of anxiety for our students. Please know that we are here to support your children along their journey in any way possible. Our goal is to ensure that Remsen Central School is a place that your student is excited to be and feels comfortable, safe and cared about. As your new elementary principal that is my top priority.

The summer has been busy here at the elementary school. We have had the opportunity to hold many summer camps, including Rams Academy, Camp Read-a-Lot, Kindergarten Kickstart, LEGO Essentials Summer Camp and STEAM Camp. The students had a great time while learning. It was amazing for me to get to see so many smiling faces enter the building each morning. As students departed for the day I heard statements such as, "I can't wait to come tomorrow!" and, "That was so much fun!" Nothing makes me happier than hearing kids talk about being excited to be at school. A very special thanks to our teachers and staff for all of their hard work in making these camps successful. Thank you to the parents for enrolling their students and thank you to the students for participating.

As the new school year approaches, there are so many things for us to be excited about. We are working to plan a few Family Fun Nights; details will be sent home as those nights get closer. We have many concerts, Evening of Excellence events and so much more already planned. We hope to see as many of you as possible at each of these events.

The first day of school for students this year will be Wednesday, September 4, 2024. Our Welcome Back to School Night is scheduled for Tuesday, September 3, 2024 at 4:30 p.m. Parents and students will have the opportunity to meet the teacher and visit the classroom. Students are encouraged to bring their supplies with them to place in the classroom. We are also very excited to offer amazing music by Jared Campbell, who will be set up in the gym area for all to enjoy beginning at 4:50 p.m. Please plan to join us for this wonderful night!

As I begin my journey here at Remsen, please know that your children are extremely important to me. If I can be of assistance to you in any way, please do not hesitate to reach out at any time. I already know how lucky I am to be part of the Remsen family!

I look forward to meeting all of you and working together throughout the school year to ensure your child's success!

Sincerely,

Ms. Jody M. Lamphere

Ms. Jody M. Lamphere | Elementary School Principal

WELCOME ADIRONDACK FOOTHILLS ROTARY YOUTH EXCHANGE STUDENT MARIE DURDISOVA!

Please join the Adirondack Foothills Rotary Club and Remsen Central School District in welcoming Marie Durdisova of the Czech Republic as a youth exchange student for the 2024-2025 school year.

Marie currently resides in the capital city of Prague. Marie is 18 years old and will be a senior at Remsen Jr./Sr. High School. She loves animals, especially her dog and two cats that she will miss very much while away from home. She enjoys sports and activities such as skiing, tennis, volleyball, running and hiking. When she is not outdoors, she stays busy creating art, reading or playing board games with friends and family.

Marie is looking forward to spending time in our community and learning about American culture. If you would like to know more about the Rotary Youth Exchange program, becoming a host family for Marie or a future student, or about your child traveling to another country as an exchange student, please visit the Rotary District 7180 Youth Exchange website.

ANNUAL TITLE I PARENT INFORMATION AND MEETING NOTICE

The Remsen Elementary School is a qualifying school for Federal Title I grant funding and receives Title I grant funding each year. At Remsen, the Title I grant funds are used to provide Elementary Reading Intervention student services and Speech and Hearing student services.

Our Reading Intervention Specialist works with students in grades K-6 to provide reading support and academic intervention. Our Speech and Hearing Teacher provides our students with speech and hearing services for students that require supplemental support.

The goal of Title I funding is to help children succeed in regular district programs, attain grade level proficiency, and improve achievement in basic and advanced skills. As a Title I school, we are fortunate to have Title I grant funding to help support these services for our students. We encourage all parents to be active participants in the education of their children so that we may work together in helping our children achieve high academic standards. Please

always feel welcome to ask questions, make suggestions, and provide input on our programs. Our Welcome Back Night, as well as all the many family and student activities and events throughout the school year, aim to encourage all parents to be active in their child's learning, growth, and success at RCS. For more information, our Parent and Family Engagement Plan may be found at <https://web2.moboces.org/policies/remsen/1200.2%20Parent%20and%20Family%20Engagement%20Plan.pdf>

On Tuesday, September 3, 2024 we will hold our Annual Title I Parent Information Meeting in tandem with our Welcome Back to School Night. Our administrators will be available to discuss our programs, answer questions and hear your feedback throughout the evening. In addition we will soon be sharing a parent survey to help us evaluate parent and family engagement, to understand potential barriers that may prevent greater parent and family participation, to improve the academic quality of our school, to increase support for successful school and family interactions, and to work to understand your needs as they pertain to helping with the learning of your children.

As a school that receives Title I money, you have the right to request and receive the following information regarding the following credentials of the professionals providing educational services to your children:

- Whether your child's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether your child's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- Whether your child's teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you have any questions, suggestions, or input pertaining to the Title I program at Remsen, please do not hesitate to reach out to Mr. Jenny, Superintendent, at any time throughout the school year at our many events or by phone at 315-205-4300 or email tjenny@remsencsd.org. Thank you!

BEFORE & AFTER SCHOOL PROGRAMS

ELEMENTARY SCHOOL

THERE IS NO COST FOR THE BEFORE AND AFTER SCHOOL PROGRAMS.

Before School: 6:30-7:20 a.m.

Students will check in for the day, have the opportunity to get assistance with homework that needs to be completed and have the option to enjoy breakfast at school. Students should be dropped off at the front of the school building (main entrance).

There will be NO transportation provided for the before school program. All participants must be dropped off by a parent or guardian.

There will be NO program on days when school is delayed due to inclement weather.

After School: 2:20-5:00 p.m.

Students will check in, eat a snack, spend time doing homework and get help with their homework, enjoy recess/play time, and participate in STEAM activities as well as other learning activities. Students should be picked up at the front of the school building (main entrance).

All changes to a student's regular weekly attendance MUST be made by the Friday before.

All students MUST be picked up by 5:00 p.m. There will be a 4:00 p.m. bus available to provide transportation home for students that require bus transportation.

There will be NO program on days when students are released early (such as half-days or early release due to inclement weather or other emergencies).

JR./SR. HIGH SCHOOL

Fitness Center: 6:30-7:30 a.m. and 2:35-4:00 p.m.

Get a workout in before school begins or at the end of the day. All fitness levels are welcome!

Rams Can Soar: 2:35-4:00 p.m.

Need a quiet place to work, meet a study group, read, listen to music (headphones required), or access technology? Come join us at Rams Can Soar!

Late Bus: 4:00 p.m.

On The Move

GARY WINGHART
Technology Curriculum Coordinator

Congratulations to former Remsen Elementary School Principal Mr. Gary Winghart as he transitions into his new role as Technology Curriculum Coordinator for the Remsen Central School District.

TECHNOLOGY AND INNOVATION UPDATES

Message from our Technology Curriculum Coordinator

I hope that this message finds you well and that everyone has had a wonderful summer. I am looking forward to continuing to serve the students, staff and families of Remsen as the District's Technology Curriculum Coordinator. This role will provide me with the opportunity to serve our District by providing technology support and maintenance, as well as the opportunity to support the integration of new technology into our classrooms and to also bring technology related opportunities to our students and staff.

One new opportunity that we have already begun to introduce to students are the LEGO Education products. Over the summer, we had a number of our students participate in our LEGO Essentials Summer Camp. During the camp, students were engaged in a variety of challenges and building activities that required them to plan, design and build machines, devices and tools that could be used to answer a question or solve a problem. This is only the beginning; as we move forward, we will be utilizing the LEGO BricQ Motion and LEGO Spike products to engage students in the classroom and after school, to develop essential skills such as problem solving, design, coding, robotics and more. I am very excited to see what our students will do with this new opportunity.

Another exciting facet of my responsibilities will be to continue to maintain and improve upon the student and classroom technology that is used daily here at Remsen. Over the last few years, we have made many improvements, including the introduction of updated devices (Chromebooks and laptops) for students and staff, as well as the installation of the Promethean Interactive Whiteboards in each of our learning spaces. These tools will continue to be maintained and replaced as needed to ensure that our students and staff have access to the devices and equipment that they need in the classroom.

I am looking forward to this new school year. Please do not hesitate to reach out as always if you have any questions or need anything.

Gary Winghart

Gary Winghart | Technology Curriculum Coordinator

DISTRICT INFORMATION

PARENTS BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY

Pursuant to Education Law section 2-d, the Remsen Central School District is now required to publish on the district website a parents bill of rights for data privacy and security and to include such information with every contract entered into with a third party contractor where the third party contractor receives student data or teacher or principal data.

To view the Remsen Central School District's Parents Bill of Rights for Data Privacy and Security, please visit www.remsencsd.org. It can be found in the For Parents section under Annual Notices.

BREACH OR UNAUTHORIZED RELEASE OF STUDENT DATA COMPLAINTS

The Remsen Central School District is dedicated to the protection of student data and to maintaining data security and privacy across the district. If you believe that a breach or unauthorized disclosure of student personally identifiable information has occurred, please complete the complaint form that may be found on our web page and submit it in person to our Data Protection Officer, Sanya Pelrah. Any parent, eligible student (students who are at least 18 years of age or attending a postsecondary institution at any age), principal, teacher or employee of an educational agency may file a complaint. A complaint can also be submitted to the New York State Chief Privacy Officer using the online form.

EVERY STUDENT SUCCEEDS ACT (ESSA) PARENT DASHBOARD

The New York State Education Department (NYSED) developed the Parent Dashboard to increase transparency and make information about school performance and other school-level data easier for parents and the public to access. The Parent Dashboard is part of New York's Every Student Succeeds Act (ESSA) plan, which emphasizes equity in education for all students and expands measures of school accountability and student success. The Parent Dashboard provides parents with information about their child's school and is available in addition to the New York State School Report Card on NYSED's public data site. The Parent Dashboard offers information on all public schools including charter schools and can be found on the front of our Remsen Central School District webpage at www.remsencsd.org. Information may also be found at www.nysed.gov/essa/information-parents.

STUDENT PRIVACY FERPA NOTICE

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords parents or "eligible students" (students who are over 18 years of age or enter a postsecondary educational institution) certain rights with respect to the student's education records. Those rights include:

- The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.
- The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading or an invasion of the student's privacy rights.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
- The right to know that the District has designated the following information as directory information: student's name, parent's name, address, date and place of birth, telephone number, email address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous educational agency attended by student, photograph, and video images of students engaged in routine activities.
- The right to file a complaint with the following office if you believe the District has violated your FERPA rights: Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

Additionally, please be aware that:

- It is the District's policy to disclose education records without consent to officials of another school district in which a student seeks or intends to enroll, and;
- The District uses video surveillance cameras on school property and in school vehicles to maintain the physical security and safety of the campus.

To view the full Student Privacy FERPA Notice, please visit www.remsencsd.org. It can be found in the Our District section under Board of Education, then District Policies.

New Staff Spotlight

MRS. DINEEN

High School Guidance Counselor

Mrs. Dineen joins the Remsen Central School District as the new high school guidance counselor. Mrs. Dineen grew up in Poland, New York and attended the University of Rochester, where she earned her bachelor's degree in psychology and her master's degree and Certificate of Advanced Study in school counseling. She is passionate about trade education and preparing students for life after grade 12.

Outside of school, Mrs. Dineen enjoys taking her daughter to the beach, boating with her family, endless fetch games with her dog and hosting Sunday afternoons during the NFL season.

Mrs. Dineen is excited to work with Remsen staff, students and families!

MISS DYGERT

Library Media Specialist

Miss Dygert is very excited to join the Remsen Central School District as the new library media specialist. She was born and raised in Glenfield, New York and she is a 2016 graduate of South Lewis Central School. Since then, Miss Dygert has received her bachelor's degree from Le Moyne College and her master's degree from the University at Buffalo. When Miss Dygert isn't at school, she loves to read, write and travel. She has been to many countries around the world and loves to share her experiences! Miss Dygert is looking forward to working with everyone in the District in her new role as library media specialist.

MRS. LAMPHERE

Elementary School Principal

Mrs. Jody Lamphere has been appointed as the new principal at Remsen Elementary School. Mrs. Lamphere is a graduate of the State University of New York (SUNY) at Oneonta where she earned a bachelor's degree in pre-kindergarten through sixth grade general education. She then earned a master's degree in special education at the College of Saint Rose, and a master's degree in educational leadership through Western Governors University.

Mrs. Lamphere comes to us from the Dolgeville Central School District, where she taught third grade for the last twenty-five years. While teaching, she also served as the district's Mentor Coordinator and the Child Study Team Coordinator for grades pre-kindergarten through sixth grade, as well as being active in several other roles.

Mrs. Lamphere is a resident of Poland where she owns a beef cattle farm with her husband and two sons. Her husband Robert works in building maintenance at the Poland Central School District. Her oldest son, Kayden, is a college student at Utica University and her youngest son, Noah, will be a junior at Poland Central School this fall.

Mrs. Lamphere is extremely excited and honored to be part of the Remsen Central School District family. She is looking forward to getting to know the students, their families, the staff and all of the wonderful community members of Remsen.

MISS REBEOR

Pre-Kindergarten Teacher

Miss Rebeor joins the Remsen Central School District team as a pre-kindergarten teacher at Remsen Elementary School. She received her bachelor's degree in early childhood education from Florida Gulf Coast University and she's currently in school to earn her master's degree in special education. She previously taught reading intervention, first grade and second grade, and this will be her fourth year teaching. Miss Rebeor is local to the area and in her free time she enjoys spending time with her cat Gizmo and her dog Winnie, reading, going to farmers' markets and being outdoors in nature. She's looking forward to teaching pre-K and the journey ahead at Remsen Elementary!

MESSAGE FROM ELEMENTARY

school counselor and therapy dog

Welcome back! We hope you and your family had a fun and relaxing summer together. Easton and I have had a mix of summer adventures and also work! We have been spending lots of time swimming and hiking. We recently were able to spend some time with students who participated in the Reading Camp. Did you know therapy dogs help students gain confidence in reading? According to Therapy Dogs International, "By sitting down next to a dog and reading to the dog ... the child relaxes, pats the attentive dog, and focuses on the reading. Reading improves because the child is practicing the skill of reading, building self-esteem, and associating reading with something pleasant."

As we look forward to another school year, I anticipate that each student will have many successful experiences socially, emotionally and academically. I wanted to remind you that as the elementary school counselor, I am here to collaborate, support and encourage you and your child during these critical years. Please feel free to contact me if you have any concerns about your child. We can't wait to see everyone in September!

Sincerely,

Erika Kistowski (Miss K.)
Elementary School Counselor

Easton
Elementary School Therapy Dog

REMSEN ELEMENTARY STUDENTS PARTICIPATE IN

NYS SHERIFF'S Summer Camp

On August 4-10, six Remsen Elementary students headed to Keuka Lake for the New York State Sheriff's Summer Camp. Karma Rudd, Destiny Faber, Connor Hawkins, Cecelia French, Fisher Wilcox and Brantley Champion were selected to go. Students enjoyed camp activities such as archery, sailing, canoeing, hiking, crafts and talent shows. They also experienced various demonstrations by deputy sheriffs including scuba diving, K-9 handling, bicycle safety and boating safety.

FIRST
DAY
OF
SCHOOL

Wednesday,
SEPT.

4

SPRING CONCERTS

P R E - K - 3

On June 12, the Remsen Central School Music Department presented its Grades Pre-K-3 Spring Concert. Students sang seasonal songs for attending family and friends to enjoy.

Some of the songs that students sang included "I Am a Beam of Sunlight," "Summer's in the Air," "Springtime Sunshine," "Gotta Have the Music" and more. Congratulations to each of the young musicians on excellent performances!

G R A D E S 4 - 6

On May 29, the Remsen Central School Music Department presented its annual Grades 4-6 Spring Concert for family and friends. The concert included performances by the Fourth Grade Beginning Chorus, Fourth Grade Beginning Band, Fifth and Sixth Grade Chorus and the Fifth and Sixth Grade Band.

Congratulations to each of the elementary musicians on excellent performances!

REMSEN ELEMENTARY CELEBRATES

ARBOR DAY

On April 18, Remsen Elementary School celebrated Arbor Day with a special assembly for all students in pre-K through grade six.

We were very fortunate to have Ranger Chris Pelrah and Forester Dan Welc join us again this year to speak with students about the importance of trees, how to protect and preserve forests, and the history of Arbor Day. Students enjoyed the opportunity to hear from Ranger Pelrah and Forester Welc, who also brought along a very special guest, Smokey the Bear. After the assembly, Ranger Pelrah, Forester Welc and Smokey the Bear visited many of our pre-K-3 classrooms and provided each student (pre-K-6) with a special Arbor Day bookmark and an Arbor Day poster for each classroom.

During recess periods on April 19, each student in the elementary school prepared a small sapling to take home for planting. The saplings were donated and provided by the Saratoga Tree Nursery.

6th grade GRADUATION

On June 25, Remsen Elementary School held its annual Sixth Grade Graduation ceremony. The students in the class of 2030 were celebrated for their academic achievements with family and friends in attendance.

Remarks were made during the ceremony by sixth grade teachers Mrs. Hollenbeck and Mr. Morris, and the sixth grade teachers presented individual awards to students along with Elementary Principal Mr. Winghart.

Following the remarks and awards, sixth grade diplomas were presented to each of the students by Miss Kistowski, Mr. Winghart and Superintendent of Schools Mr. Jenny.

Performances during the ceremony included the alma mater sung by the sixth grade class and a song performed by the sixth grade chorus.

Congratulations to the sixth grade students on a great school year and best of luck at the Jr./Sr. high school!

ELEMENTARY OLYMPIC DAY

On June 21, Remsen Elementary School held its annual Olympic Day. It was a fun-filled day for students and staff to enjoy outdoor games and friendly competitions.

Elementary Principal Mr. Winghart even had fun going down the water slide – in his suit!

KINDERGARTEN CELEBRATION

On June 24, Remsen Elementary School held its annual Kindergarten Celebration. The ceremony kicked off with the kindergarten students leading the Pledge of Allegiance, then kindergarten teachers Mrs. Hill and Mrs. Wilson gave the welcoming remarks.

The kindergartners performed several songs for attending family and friends, including “Five Hundred Little Ducks” and Jared Campbell’s “Superhero” song.

Kindergarten certificates were awarded to each of the students by Elementary Principal Mr. Winghart, Mrs. Hill and Mrs. Wilson. The students and attendees then enjoyed a kindergarten memories slideshow followed by refreshments.

Congratulations to the kindergarten students on a great school year and best of luck in first grade!

Annual MATH DAY

On June 13, Remsen fourth and fifth grade students participated in Math Day. This annual event is planned by the fifth grade students. Our fifth graders designed and created fun math games for the fourth grade students to play. The students enjoyed a sunny morning of math games and fun!

ELEMENTARY CAREER Day

On June 7, students in pre-K through sixth grade participated in the Remsen Elementary Career Day. This event was hosted by Mr. Gennaro Durso, Oneida-Herkimer-Madison (OHM) BOCES School and Business Alliance (SABA) career specialist and Miss Kistowski, Remsen Elementary School counselor.

There were 15 local professionals who came to Remsen to educate students about their workplace, job and the education and skills that are required to be successful in their career. Each classroom visited six sessions and each session was 20 minutes long.

Students were able to learn how to protect wildlife and manage fisheries, how dogs are used in law enforcement, how to protect against forest fires and so much more. Students were able to hold and play with baby goats from Spring Creek Lavender Farm and learn from our local first responders, including the Remsen Fire Department, STaR Ambulance and Utica Police Department.

"It is important to start career exploration at a young age," explained Miss Kistowski. "In May and June, my monthly guidance lessons were about educating students on various careers and creating a career plan. The Career Day really brought this full circle."

Exposure to a variety of career fields allows students to make informed decisions as they start to plan for their future. The presenters were impressed with the students' engagement, interest and thoughtful questions.

SUMMER Enrichment

LEGO

ESSENTIALS SUMMER CAMP

During the week of July 29, Remsen students in grades 3-8 were invited to be a part of our first LEGO Essentials Summer Camp program. We had 34 students registered for the program.

Each day students participated in team-building activities such as LEGO relays, blind build activities and category quick builds. Students were also challenged to work with a partner to build various machines and contraptions designed to help them explore and better understand concepts such as balance, momentum, gravity, inertia, friction, weight and more. Students that attended the camp enjoyed a week full of fun, learning and LEGO!

ELEMENTARY STUDENTS ATTEND RAMS ACADEMY

Rams Academy was held during the week of July 15. An average of 25 Remsen Elementary students attended camp each day. Students worked on academics such as reading and math, and each day was based around a theme such as beach, camp, space and farm. Smiles were seen throughout each day!

— Camp — READ-A-LOT

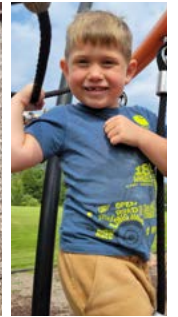

During the week of July 22, a number of Remsen Elementary students came together for our first Camp Read-a-Lot summer program. Working with Mrs. O'Connor and Mrs. Runniger, students engaged in a week full of fun activities that had them reading and enjoying their time together. Students made rockets, played games, read stories and even ended the week reading in tents with yummy s'mores as a special treat. Students enjoyed their time together and even got a jump start on working toward completing our Read Around Remsen summer reading challenge.

Kindergarten KICKSTART

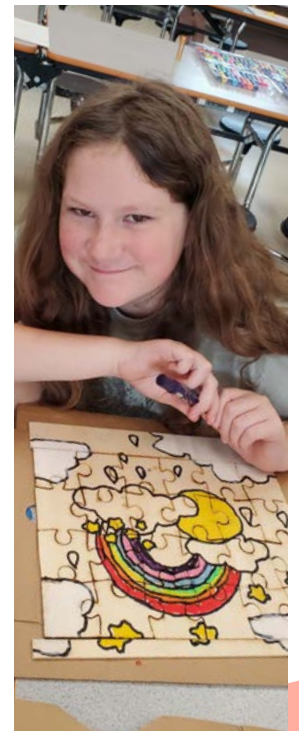

During the week of July 22, many of our incoming kindergarten students joined us for our Kindergarten Kickstart summer program. Working with Mrs. Wilson, Ms. Maguire and Mrs. Paige, our kindergarten students participated in a variety of fun activities – everything from fun songs, stories and games, to sidewalk chalk, playground time and bubbles. Our students had a wonderful week together.

SUMMER STEAM CAMP

During the week of August 5, Remsen Elementary students participated in the Summer STEAM Camp. Working with Mrs. Davis, Mrs. Piaschik and Mrs. Provost, students engaged in a variety of activities including creating their own puzzles, designing optical illusions and much more. Students also enjoyed a neat presentation in the Oneida-Herkimer-Madison BOCES' portable planetarium.

Third Trimester EVENING OF EXCELLENCE

On June 24, Remsen Elementary School held the Third Trimester Evening of Excellence. Students and families were invited to attend the special ceremony to recognize our elementary students. Students received awards for Honor Roll, High Honor Roll, Soaring to Success and Good Citizenship, as well as excellence in music, art and physical education. The Alumni Association awards were also awarded to one student at each grade level in grades 1-6. It was a great celebration of our students and their achievements throughout the trimester.

Seventh Grade ORIENTATION

On June 11, Remsen sixth grade students came down to the Jr./Sr. high school for a delicious lunch, building tour, presentation by our school counselor, Mrs. Nebush, and advice from current seventh grade students Emmelia Smith and Oliver Burns. It was a great visit and we can't wait to see them in the fall!

REMSEN FFA ATTENDS STATE CONVENTION

During the spring, Remsen FFA members attended the 99th New York State FFA Convention in Buffalo. Students participated in various activities and interacted with the Expo Center exhibitors, which included many agricultural businesses, colleges and more. We have a bright future with these FFA members!

Some awards and highlights from the convention included:

- Trent Jenny: First Place – Agriscience Fair in Environmental Systems
- Wyatt Raspon: First Place – Agriscience Fair in Plant Systems
- Hunter Wilcox participated in Jr. Tool ID.
- Molly Southwick was recognized on stage for her \$500 SAE grant to invest in her goat soap business.
- Zach Geer, Owen Piaschyk and Michael Nelson participated in workshops.

Remsen Student Receives STUDENT ACHIEVEMENT AWARD FROM SCHOOL BOARDS INSTITUTE

The Oneida-Madison-Herkimer (OMH) Counties School Boards Institute (SBI) presented its 2024 Student Achievement Awards and Distinguished Service Awards during the Annual General Membership Meeting at the Twin Ponds Golf and Country Club in New York Mills on May 9. A student from the Remsen Central School District was one of the recipients of the Student Achievement Awards.

The OMH SBI includes 35 school districts in the Herkimer-Fulton-Hamilton-Otsego BOCES, Oneida-Herkimer-Madison BOCES and Madison-Oneida BOCES regions. One of the major themes of the awards is recognizing students who have overcome obstacles, and New York State School Boards Association Area 5 Director William Miller and Member Relations Manager Patrick Longo spoke about that during the event.

"It's just a tremendous opportunity to showcase what the kids in our area are doing," Miller said.

The students and school officials were joined by their nominators,

families, local board members and school officials to be honored and share their stories during the event. OMH SBI President Douglas Gustin and OMH SBI Coordinator for Board Training James Van Wormer welcomed guests and shared comments of congratulations during the event.

The Student Achievement Awards are presented to high school juniors who have demonstrated a positive attitude, which reflects initiative, a sense of responsibility and an ability to interact with others, including peers, faculty and the community. Recipients also have strong character values, perform academically to the best of their ability and may have overcome significant adversity while working toward their career goals.

The Student Achievement Awards were presented this year to several students from the Oneida-Herkimer-Madison BOCES region, including Remsen student Shianne Austin, who was nominated by Kathleen Nebush.

DRAMA FIELD TRIP TO 'SIX THE MUSICAL'

On May 28, the Remsen High School Drama Club experienced an unforgettable evening as they attended a performance of "Six the Musical" at The Landmark Theater in Syracuse, New York. This was a cultural and enriching experience that will undoubtedly influence the students' future work in the Drama Department. The Drama Department is committed to providing opportunities that foster growth, creativity and lifelong love for the arts. Thank you to the Michael Woolheater Fund for supporting this field trip!

REMSEN SEVENTH GRADERS

KAYAK

on Black River

On May 20, Remsen seventh graders accompanied Mr. Dening on a kayaking trip to Lyons Falls, New York. The trip was sponsored by the Black River Outdoor Education Program as part of their physical education curriculum, which includes outdoor pursuits and activities. Students spent several hours on the Black River navigating through calm waters and small rapids while enjoying the beautiful spring weather.

The Remsen Central School District would like to thank the Black River Outdoor Education Program for allowing our kids the opportunity to enjoy the great outdoors!

CPR

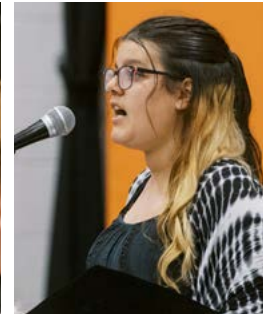

TRAINING

Thank you to the Oneida-Herkimer-Madison BOCES and our health teacher, Mrs. Obernesser, for making sure our Remsen juniors and seniors were CPR trained this year. The training was held on May 29 at Remsen Jr./Sr. High School.

BAND AND CHORUS SPRING CONCERT

At the Grades 7-12 Band and Chorus Spring Concert on June 5, student musicians held their culminating performances for attending families and friends. It was wonderful to hear the progress they have made throughout the year.

Thank you to Mr. Dangler, our music teacher, for helping our students learn and grow. A special congratulations to the two seniors we honored at the concert, Frank Austin and Leila Ward.

GRADUATES EARN **SEAL OF BILITERACY**

Congratulations to class of 2024 graduates Imagin Aiken, Benjamin Becker, Enxi Guo, Zachary Helmer, Malik Pett, Ava Russo, Brian Secor and Leila Ward for earning the Seal of Biliteracy! These students completed additional coursework, assessments and a culminating final project exhibiting mastery in a world language.

On June 21, the 25 students in the class of 2024 became the newest graduates of Remsen Jr./Sr. High School. The graduates were celebrated by attending family and friends as they were recognized for the hard work and dedication they've shown throughout their educational careers.

Jenny, Board of Education President Mrs. Mary Lou Allen, high school English teacher Mrs. Julia Cooper, and high school social studies and science teacher Mr. John Bunker. The salutatory address was given by Leila Ward and the valedictory address was given by Brian Secor.

High School Principal Mrs. Sanya Pelrah, and then each student was recognized as they crossed the stage to receive their high school diploma.

Following the commencement ceremony, a community-wide fireworks celebration was held to celebrate the class of 2024. Congratulations to each of the graduates and best of luck in your future endeavors!

Remarks were made during the ceremony by Superintendent of Schools Mr. Timothy

Senior scholarships and awards were presented to students by Mr. Jenny and Jr./Sr.

Remsen Class of 2024 VALEDICTORIAN & SALUTATORIAN

On May 6, the class of 2024 valedictorian and salutatorian were announced. Congratulations to

Valedictorian Brian Secor and Salutatorian Leila Ward!

Additionally, all top seniors – those with a 90% or above cumulative average – were treated to an ice cream treat. Way to go!

TOP SENIOR

SUNDAES WITH THE BOARD

At the Top Senior Sundaes with the Board of Education on June 11, we celebrated our top seniors who have achieved a cumulative GPA of 90% or higher. Each top senior gave a brief speech honoring faculty and staff who have had a positive impact on their academic careers. Faculty, staff, family, friends, administrators and Board members were in attendance to hear from our top seniors and then enjoy an ice cream treat with them.

Honor Roll

Congratulations to all of the Remsen Jr./Sr. High School students who made the high honor roll and honor roll for the fourth and final marking period of the 2023-24 school year!

Remsen Boys Take First Place at BOILERMAKER

Congratulations to Remsen runners Johnathan Dickenson, Burke Gates, Ethan Karis, Glen Lafave, Gavin Nelson and Ean Piaschyk for placing first in the boys high school teams at this year's Boilermaker 15K race on July 14. Well done!

SPRING SPORTS *Senior nights*

GOLF

On May 14, prior to the Remsen varsity golf team's last home match of the season at Alder Creek Golf Course, the team held a recognition ceremony for the five senior student-athletes. Head coach Katey Secor took some time to speak on behalf of each player and what they have meant to the program, and what their future plans will include.

Congratulations to Austin Jones, Malik Pett, Hayden White, Jaden Prosser and Brian Secor on all of their accomplishments and best of luck in the future!

SOFTBALL

On May 13, the Remsen varsity softball team held a special senior recognition ceremony prior to the team's home game against Poland Central School. Isabella Lalyer was recognized for her contributions toward the program this year, which was her first year playing varsity softball. Coach John Glass shared with the audience a short speech about what Isabella meant to the team and the program.

We would like to wish Isabella good luck in the future and thank her for being a tremendous student-athlete!

TRACK & FIELD

Prior to the track and field meet on May 6, a special ceremony was held to honor the six Remsen seniors who have contributed so much this year to the District's track and field program. Congratulations to Frank Austin, Ben Becker, Charles Deland, McKayla Finn, Zach Helmer and Paul Montegari on their accomplishments. We wish them luck in their future endeavors!

ZACHARY HELMER & ISABELLA LALYER

honored at

SCHOLAR-ATHLETE AWARD DINNER

On June 10, seniors Zachary Helmer and Isabella Lalyer were awarded Section III Scholar-Athlete honors at the 35th Annual Section III Scholar-Athlete Award Dinner held on the campus of Onondaga Community College.

Each year the Section III Scholar-Athlete Award program recognizes two high school seniors (one male and one female) from each member high school whose academic and athletic careers have been exemplary, whose personal standards and achievements are a model to others, and who possess high levels of integrity, self-discipline and courage. Nominated students must have met the criteria of at least a 90% grade point average and have participated in at least two varsity sports during their junior and senior years.

Since its inception, the annual Scholar-Athlete Award program has honored more than 4,000 graduating seniors. Each year, Section III looks forward to recognizing students who excel in academics, athletics, school and community activities. Athletes who are selected are awarded an individual plaque acknowledging their accomplishments along with a financial scholarship donated by Coca-Cola, Orthopedic East and Section III Athletics. The Section III Scholar-Athlete Award is the highest academic honor bestowed by the organization.

Congratulations to Zachary and Isabella on your exemplary achievement and best of luck in your future endeavors!

SUMMER Volleyball Camp

During the Summer Volleyball Camp, 40 students in grades 7-12 enjoyed learning and practicing skills while making great connections with each other.

ANNUAL JR./SR. HIGH SCHOOL ACADEMIC AWARDS *Celebration*

On June 10, the third annual Remsen Jr./Sr. High School Academic Awards Ceremony was held to honor students who have shown academic excellence, perseverance and good character. A special congratulations to Isabella Lalyer who was awarded our top award, the Soar to Success Award. A special thank you to the Remsen Alumni Association for sponsoring awards again this year.

HIGH SCHOOL *Olympic Day*

JV/VARSITY ATHLETIC AWARD CEREMONY

On June 6, the Remsen Central School District held a JV/Varsity Athletic Awards Ceremony in the high school gymnasium. The awards ceremony featured the presentation of varsity letters, New York State Scholar-Athlete team awards, the CSC Scholar-Athlete Award, and Section III Scholar-Athlete Representatives awards. Additionally, the coaches of each team for the fall, winter and spring sports seasons delivered speeches and trophies to the students. The coaches' awards recognized students' growth as individuals, team players and athletes.

The Remsen CSD is proud to announce that six of the District's varsity teams qualified for the New York State Scholar-Athlete Team Award during the 2023-24 school year. To receive Scholar-Athlete Team recognition with a certificate, the team's average GPA for 75% of the roster must be greater than or equal to 90.

The District wishes the seniors well in the next chapter of their lives and we are thrilled to continue watching our student-athletes grow.

Track & Field

BOYS' TEAM SECTIONAL CHAMPIONS | GIRLS PLACE SECOND

On May 24, the boys and girls track and field teams competed in the Section III Class D Championships against 15 other schools.

The girls team placed an excellent second place overall. The team was led by Marissa Karis, who was the individual winner of the 1500 with a new personal best. Other scoring team members were Riley Horn, Tiarra Fox, Leah Doolen, Evalyn Gates, Morgan Horn, Ella LaFave, Jaiden Maher, Lorelai Walker, Lexi Helmer and Brooklyn Helmer.

Great job on an excellent showing and an improvement over last year's fifth place finish!

The boys team repeated as the Section III Class D champion with a great team effort! The boys team was led by Dylan Jones, who was the individual winner of shot put and pole vault with a new school record of 11 feet 6 inches. Other team members scoring in the top six were Tucker Hollenbeck, Ethan Karis, Burke Gates, Jonathan Dickenson, Ean Piaschyk, Ben Becker, Zach Helmer, Paul Montegari, Gavin Nelson, Charles Deland, Gardner Walker, Ashton Grower, Casey Gates and Wyatt Ehart.

Congratulations boys on a great team effort!
