

Piedmont Airlines Aircraft Maintenance Technician (AMT) Tuition Payment Program

Kick-start your career and grow with Piedmont in the fast paced, rewarding aviation industry.

Piedmont Airlines' program is designed to provide valuable hands-on experience and the educational foundation students need to become Aircraft Maintenance Technicians (AMTs) at no cost. Our goal is to remove financial barriers to help the most promising students make a smooth transition to a full-time stable career as an Aircraft Maintenance Technician (AMT).

Students accepted into Piedmont's AMT Tuition Payment Program will receive:

- full tuition assistance towards their Airframe and Powerplant (A&P) certification
- full coverage of fee and testing costs
- a complete toolbox (valued over \$6000) for use throughout their career
- a guaranteed job at Piedmont Airlines after successfully obtaining their A&P certification

Aircraft maintenance careers are in high demand and at Piedmont, we are committed to helping our team members reach their full potential to prepare for the next level in their career.
